

BAPTIST CAMPAIGN TO OPEN... WITH "SUNRISE" MEETINGS.

Greenville, S. C., Nov. 24.—The opening of the Baptist 75 Million Campaign throughout South Carolina next Sunday morning, the 30th, will be observed by "sunrise prayer meetings" in Baptist churches throughout South Carolina, according to announcement today at state headquarters of the Campaign.

Congregations of churches throughout South Carolina will meet at their respective places of worship at 7 o'clock Sunday morning and after prayer service, the work of solicitation in the great money-raising campaign will be immediately commenced.

While the Campaign will continue through December 7th, Baptist leaders are confident that virtually the entire amount asked will be subscribed by the various churches on the opening day.

A large number of the churches will have all-day meetings, the members meeting at 7 o'clock, and continuing together until afternoon, during which time the solicitation will be in progress. Members not present will be visited by committees.

South Carolina's apportionment in the Campaign is five and a half millions. Daily reports are to be made of subscriptions during "Victory Week" November 30th to December 7th. Church organizers are to make their reports daily to the association organizers, and the association organizers are to send their reports in each night by telegraph or telephone to Dr. W. T. Derieux, at Columbia state director. No association reports are to be sent to state headquarters at Greenville, though daily reports on the state at large will be received here. A complete report of subscriptions in all churches Sunday is expected to be sent in Sunday night.

No attempt was made to conceal the feeling that the situation was serious and that relations between the United States and Mexico were strained. Officials said the three departments, state, war and navy were ready to meet any eventuality and deal with any situation arising out of a more defiant attitude by the Carranza administration toward the United States government.

LABOR PARTY BEING FORMED IN CHICAGO.

Chicago, Nov. 21.—Nearly 1000 delegates assembled in Chicago yesterday to be present at the opening of a convention called to form a national labor party. The delegates were summoned by John Fitzpatrick, President of the Chicago Federation of Labor, and his associates in the labor movement in the Middle West. The convention is being called without the approval of Samuel Gompers, President of the American Federation of Labor. The aim of the new party is to overthrow the present Republican and Democratic parties and to secure

the control of the country by labor. Max Hays of Cleveland, Ohio, who is to open the convention as Temporary Chairman, said that the party would probably adopt a platform embracing public ownership of railroads and most of the other big industries. It is reported that Governor Lynn J. Frazier of North Dakota is to be endorsed for President on the Labor Party's ticket, and that either Fitzpatrick or Duncan McDonald will be candidate for Governor of Illinois.
