

TOOK TANLAC TO RELIEVE HER ILLS

Was in Bad Shape When She Bought First Bottle.

BENEFITED GREATLY

"I Am in Good Health Now and Feel Fine and Strong," She Declares.

"I will tell you I was in bad shape when I began taking Tanlac... I had been through a very severe illness and it left me in a completely run down condition... I had kidney trouble badly, too... I was so weak my knees would almost double up under me and my back hurt me terribly... I could hardly endure the pain... My head ached awfully, too, just as badly as if I had neuralgia... I could not eat a thing and I seemed to be losing strength instead of gaining it... We had heard so much about Tanlac that I finally decided I would try it... I could tell I was picking up right along... It gave me a fine appetite and it seemed that I just could not get enough to eat and my food nourished me... I gained health and strength and I could tell everyday that I was better than the day before... I am in good health now and I feel fine and strong... The Tanlac got me in good health and I have found it to be a fine medicine for my troubles... All that backache has gone now and so are the headaches... Tanlac did so much for me, and I am glad to recommend it to those who suffer as much as I did... Tanlac, the master medicine, is sold exclusively at Harmon Drug Co., Lexington; Barnett & Whetsell, New Brookland; Harris-Cain Drug Co., Batesburg; Crosson Drug Co., Leesville; Eargle's Drug Store, Chapin; Dr. W. T. Broker, Swansboro; Pelton Drug, Pelton; W. J. Cayce, Cayce, A. B. Leaphart, Gilbert; The Lorick Co., Irmo; W. H. Suber, Peak; Price \$1.00 per bottle straight, adv.

Common-Sense for Corns, "Gets-It"

The Great Painless Corn Loosener. Simple as A. B. C. Never Fails. If you have ever tried to get rid of a corn by bundling up your toe with bandages, or by using salve that made your toe red and almost raw, or tried

to drag your corn out with a knife, there will be a surprise waiting for you when you use "Gets-It." Imagine peeling your corn off gloriously, easily and painlessly, just like peeling off a banana skin. Well, that is what happens when you use "Gets-It." There is nothing else that will give you this same result. Millions of folks have had the same blessed experience. Why putter and suffer, limp, and spoil a good time for yourself and your friends, or your peace of mind while trying to attend to business? Use "Gets-It," the simple common-sense way. "Gets-It" is the only sure, guaranteed, money-back, corn-remover, costs but a trifle, as any drug store, M. S. by Lawrence & Co., Chicago, Ill., is sold in Lexington and recommended as the world's best corn remedy by Harmon Drug Co., Batesburg.

Ford THE UNIVERSAL CAR

Every Ford Owner Should Know

Just what Ford Service is, and why it is different from ordinary garage service, and why it is more profitable to patronize the Authorized Ford Dealer?—The Ford Dealer is a part of the Big Ford Family. He carries a large stock of genuine Ford parts for repairs and replacements so you don't have to wait while he sends for them, and he uses only genuine parts because he knows the imitation parts aren't dependable and don't wear. He has a thoroughly equipped up-to-the-minute garage with tools that enable his Ford Mechanics to efficiently and properly make any repair—from a minor adjustment to a complete overhaul. And when the work is finished, his bill represents the reasonable, standard Ford prices. Now, we are Authorized Ford Dealers—a part of that great Ford Service organization which was formed chiefly to put within each community a dealer who would have more than a passing interest in Ford repairs and adjustments. We are prepared and equipped to render prompt, careful Ford service. Drive in or phone and we'll come after your car.
