## SMALL PAPER.

This week we are printing a small paper. The force has had a few days rest from their faithful labors, which makes it impossible for us to print the usual paper. However, we do not believe any reader will begrudge them the short rest and will not object to the smallness of the paper. Next week, and from then on, the paper will be printed as usual.

We wish for all our readers a happy and prosperous New Year.

## CAPTURE STILL AND WHITE LIGHTNING.

Sheriff E. Austin Root and Rural Policemen Town and Ashblin and Deputy Sheriff Westmoreland captured a large still on Black Creek last Friday, and destroyed 15 gallons of mash ready for running. The still was of about 50 gallons capacity and made entirely of copper. A load of wood, with the appearance of just having been unloaded, was near the still, and it is the opinion of the officers that it may have been a little while before it was burned the still.

The still was found in the woods near the home of Mr. Westmoreland, who is a well known farmer and stock raiser.
