The regular meeting will be  
 ...held Thursday afternoon at 4:30  
 ...o'clock. All members are urged  
 ...to be present.

Arrangements will be discussed  
 ...for a social meeting or afternoon

 ...to be held some time before the  
 ...annual meeting on the fourth  
 ...Thursday in March.

One of the most unsightly things  
 ...in the public streets is the waste  
 ...paper that is allowed to blow  
 ...all over town and collect in corners.  
 ...We are considering the purchase  
 ...of galvanized garbage cans with  
 ...covers to keep all waste paper and  
 ...other trash in.

The flower garden at the passen-  
 ...ger station has been planted in  
 ...grass, with a center bed of collod-  
 ...imus, cannas, violets and other  
 ...flowers, and a wire netting will be  
 ...put around the enclosure to keep  
 ...out dogs and other nuisances.

We hope that this will soon be  
 ...a more attractive looking spot to  
 ...the people of Dillon as well as to  
 ...the traveling public.

The doll, Buster Brown, voted  
 ...for during our Xmas Bazaar, has

**At the Opera House.**

Quite an attractive place of am-  
 ...usement has been provided by  
 ...our indefatigable worker, Mr.  
 ...C. T. O'Ferrall, for the fun-lov-  
 ...ing and those whose tired brains  
 ...need rest from the p rplexities in-  
 ...cident to a busy life.

The Dillon Opera House stands  
 ...for far more than its name implies.  
 ...The interior is quite a gem in its  
 ...artistic furnishing. The stage  
 ...and scenery is quite an elegant  
 ...affair, while the drop curtain  
 ...would attract attention in our  
 ...large cities. The folding chairs  
 ...in the dress circle are embodi-  
 ...ments of comfort. The lights are  
 ...good and fill all requirements.  
 ...In connection with all this Mr.  
 ...O'Ferrall, at great expense to  
 ...himself has secured at different  
 ...times the best talent possible for  
 ...the Dillon people and in return  
 ...for his efforts to please should  
 ...show their appreciation by a lib-  
 ...eral patronage.

The Mason-Newcombe Co. is  
 ...on the boards for a week and  
 ...their performances will please the  
 ...most critical patrons. —M.

**How to Increase the Yield of Fruit**

Increased fruit crops are more often the result of good manage-  
 ...ment than of good luck. Fruit trees and fruit plants need a liberal  
 ...supply of

**Virginia-Carolina**  
**Fertilizers**

The trees absorb plant foods—that is, nitrogen, phosphoric acid  
 ...and potash—from the soil just the same as any other crop. Experi-  
 ...ence has shown this over and over again. This truth has become so  
 ...well recognized that "return to the land what the tree removes if you  
 ...would expect the best results" has become an axiom with the best  
 ...growers.

Apple, pear, peach, orange and other fruit trees soon respond to  
 ...careful fertilization. But be sure to use the best fertilizers.

"I made a test with other companies' fertilizers," says Mr. H. O.  
 ...Lowry, of Manatee County, Fla., "and yours proved to be the best.  
 ...The yield where I used Virginia-Carolina Fertilizer, was just twice as  
 ...much as where the other two companies' fertilizer was used." Hundreds  
 ...of users say Virginia-Carolina Fertilizers are cheapest because of their  
 ...good qualities—give better satisfaction and quicker results.

Many facts of great interest and value to fruit growers are pub-  
 ...lished in the new 1909 Farmers' Year Book, a copy of which will be  
 ...sent free on application to any of our sales offices.
