The Embroidery Club had its monthly Monday meeting this week, and on this occasion their hostess was Mrs. Le Roy Williams. The ladies spent two pleasant hours with their fancy work, and enjoyed some bright musical selections rendered by Mrs. D. N. Oli-

ver and Miss Nina David. The hostess then served ice cream and cake to her guests who were Mesdames J. W. King, Robert O'Ferrall, J. A. Wilson, J. V. Malcolm, C. R. Taber, W. C. Tolar, J. H. Hamer, Jr., D. N. Oliver and Misses Maria Tuggle and Nina David.

Capt. Jno. C. Sellers was among the visitors in the city Tuesday. Capt. Sellers is well pleased with the idea of taking Latta into the New County and suggests the taking in of Sellers also while the amended lines are being run. If Sellers is taken into the New County it would be much nearer the court house than if it were to remain in the old county and the suggestion seems to meet with the approval of the Sellers community. Of course, Dillon would be glad to have Sellers in the New County also and it would be the part of wisdom to take the Sellers people in if the New County can do so and leave a sufficient amount of territory in the old county.

On May 7th the children of the Baptist Sunday school will be taken down to Lake Waccamaw for a day's outing. Mr. W. A. Blizarb, superintendent of the Sunday school, spent a day in Wilmington recently and made arrangements with the Coast Line officials for a train to carry the children and their parents down to the Lake and bring them back that night. The train will probably leave Dillon about 8 a. m. and return that night at the same hour. Arrangements have been made to have a fish-fry during the day as Lake Waccamaw abounds in all kinds of fresh water fish. The Sunday school children are looking forward to the occasion with a great deal of pleasure.

The music-loving people of Dillon and vicinity have a rare treat in store for them on the evening of April 23rd. The Glee Club of Furman University will beat the Dillon Opera House under the auspices of the Ladies' Aid Society of the Baptist Church. This Club is composed of sixteen college men, who are especially good along their line, and who have delighted large audiences in some of the leading cities of our State, such as Anderson and Greenville. An excellent program has been arranged for this occasion and it is earnestly hoped that the Furman boys will be greeted by an

exceedingly creditable number of our people. Do not fail to hear them.

There will be a joint meeting of the Upper and Lower Marion county Teachers' Associations at Dillon Saturday, April 17th at 11 o'clock. An interesting program for this meeting is being arranged. Dr. J. L. Mance of Florence will address the teachers. Also two other speakers from away are expected to be present. All the teachers of the county are cordially invited to attend this meeting. This will be the last meeting of the association this scholastic year, and we should make a special effort to be present.
