# Dillon Storage Co.

We have moved our office to Bennetts Stable on Main St., We are better fixed than in the past to store cotton. We request all persons wishing to store cotton to drive directly to our new office. We will sample cotton and preserve samples in our office. Then drive to warehouse and unload. We expect to be able to make loans on cotton stored at a very reasonable rate of interest.

Dr. Wade Stackhouse will be actively in cotton seed business and would thank all persons having seed for sale to see him before selling.

Inviting our friends to call on us in our new place of business and thanking you for past favors and hoping to do an extensive business on close margins, we are yours truly,

Dr. Wade Stackhouse, Manager.
