Old Age Commences At 45.

New York, Oct. 11.—According to Rev. Charles L. Goodell, pastor of the Calvary Methodist Church, old age begins at forty-five and from that age a fear in decline.

"The human body is a furnace which keeps under blast three score years and ten, or more or less," said Mr. Goodell in his sermon. Then the fire slackens and life declines; when it goes out we are dead.

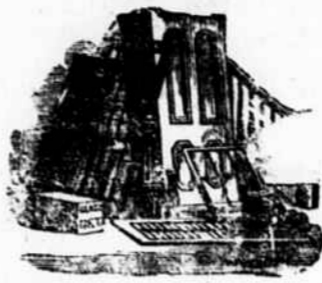

"The amount of combustion increases up to thirty years, remain stationary to forty-five, when it begins to diminish and the old age of the body begins."

A Speedy Cure for

Constipation, Biliousness, Dropsy, Indigestion, Liver Complaints, Head, Face, and Taste in the Mouth, Bad Complexion, Nervousness and all diseases of the Stomach, Liver and Bowels.

"Bloodine Liver Pills" act gently, yet thoroughly upon the bowels, liver, stomach and digestive organs. They purify, build and chronic cases of a natural and healthy condition act at once, without griping, nor do they leave any unpleasant after-effects, nor form a constant habit of purging, produced by other cathartic remedies.

"Bloodine Liver Pills" remove the deranged and torpid liver, the normal condition and healthful action. They tone and promote constipation by stimulating a normal and regular operation of the bowels, and rid the system of those unpleasant symptoms, which attend a diseased or congested liver, stomach and bowels.

By following the directions on the following pages, you will find that "Bloodine Liver Pills" are the only pills for the liver, which will cure all the large and small ailments of the system, such as Biliousness, Dropsy, Indigestion, Liver Complaints, Head, Face, and Taste in the Mouth, Bad Complexion, Nervousness and all diseases of the Stomach, Liver and Bowels. On the other hand, small doses destroy the alternative effect of the pills, do not grip, nor do they form the habit of purging, which is the only way to get into the normal condition of the bowels, liver, stomach and digestive organs.

Caution—If you find your liver is not in the most healthy condition, do not take any other purging or cathartic pills, as they will only increase the disease.

FALL GREETINGS

FASHIONABLE MILLINERY!

The display on my opening day was merely an earnest of what will be shown at my store this fall in fashionable millinery. From now till the season closes every day will be "Opening Day" and the public is invited to come and inspect my line before making purchases elsewhere. Remember the peculiar feature of my millinery is

INDIVIDUALITY

And that is only another name for a certain style and finish that the ordinary kind of millinery does not show. Pretty pattern hats will be on display every day, and if you can't find something in the regular line to please you let us design you a piece of headwear that is guaranteed to give satisfaction.
