Miss Mollie Surles is quite ill.
Miss Rena Bracey returned Saturday from a stay of several days in Charleston.
Prof. S. H. Moody, of Lees, S. C., spent Saturday and Sunday with his parents.
Rev. J. H. Moody has been very ill several weeks and does not seem to improve.
Miss M. P. McLester has returned from a visit to relatives and friends at Concord, N. C.
Dr. Joe Cabell Davis has returned from a business trip to Lynchburg and New York.

Prof. and Mrs. Coker of Latta were the guests Saturday of Rev. and Mrs. W. C. Owen, at Little Rock.

There will be preaching by Dr. Buckner at the Presbyterian church next Sunday morning and evening.

Mrs. C. R. Taber who recently spent several weeks at Richmond, Va., left today for Ft. Motte to visit relatives.

Mr. S. L. Page, widow of the late Lawrence Page, has purchased Mr. H. McRae's cottage on East Main street and will move to Dillon about the first of the year.

Messrs. L. H. Smith, W. B. Atkinson and A. S. Manning came up from Latta Friday in two brand new touring cars which they have just received from the factory. Mr. Atkinson is agent for the Ford in this county.

New County headquarters have been opened in the store formerly occupied by the Gaitley-Tolar Co. If you want to find out anything about the New County call at headquarters and ask for what information you want.

Joshua Simpkins Co. is billed to appear at the Dillon Opera House Monday night. Tickets on sale at Brunson's Drug Store. This is one of the most popular melodramas on the road and the attraction no doubt will draw a large crowd.

At the races in Fayetteville Friday Marguerite won the three last heats in the free-for-all over several fast pacers. The track was very rough and as Mr. Edwards' foot is not well yet the last three heats were driven by Mr. Ellerbe. The purse was \$200.

Mr. W. M. Phillipps who lives near the state line was among the visitors in the city Friday. Mr. Phillipps' health has been poor for the past year, but his friends will be glad to learn that his condition is improving and that he will be himself again before long.

Look for the Blue X on the front margin of your Paper. It means that your subscription is due.

When in town call at New County headquarters at the store formerly occupied by the Gaitley-Tolar Co., where a very cordial welcome awaits you. The headquarters will be open at all hours and if you want any information regarding the New County movement ask either Mr. E. R. Hamer or Mr. J. V. Malcolm, either of whom will be at headquarters all the time until after Dec. 14.

The Maryland Amusement Co., arrived in town Sunday and was at work early Monday morning unloading their paraphernalia. The show is pitched its tents on the vacant lot near the site of the N. & W. C. railroad station and will give exhibitions every afternoon and night during the week. There will also be a free exhibition every afternoon when a performer will live 110 feet into a tank containing only a few feet of water. The carnival has been exhibiting at Marion where it had a very successful week.

The board of registration did a "hand once" business Monday when about 135 voters got certificates, renewals and transfers. The voters are equipping themselves to vote in the New County election to be held Dec. 14., and there seemed to be a great deal of interest manifested in the matter of registration. Automobiles, hacks and buggies were busy all day conveying the voters to Marion and back and the board of registration were kept hustling to supply the crowds with their voting credentials.

Mention was made in The Herald some weeks ago of the fact

that Mr. R. M. Jackson who lives on Rural Route No. 1, had a very fine piece of corn that would make 67 bushels to the acre. Mr. Jackson told a Herald man several days ago that he was gathering 80 bushels an acre from the field. Mr. Jackson stated that he had 19 acres of cotton that would net him more than he got from a two horse farm in 1901. Mr. Jackson has an excellent plantation that always produces abundantly but this year he will make a record breaking crop.

Mr. J. V. Malcolm went up to Bennettsville Friday to consult with Marlboro's grand jury in regard to auditing the county books. As stated in the last issue of The Herald some discrepancies have been found in the auditor's and treasurer's books and in justice to all parties concerned the grand jury has ordered an investigation. The officers themselves have insisted on an investigation and if any errors are found it is believed they will be due to some defect in bookkeeping rather than to any intention on the part of the officers to do wrong.

Permanent New County headquarters have been opened in the store building formerly occupied by the Gaitley-Tolar Co. The work will be in charge of Messrs. E. R. Hamer and J. V. Malcolm and every person interested in the New County movement is invited to call at headquarters and consult Messrs Hamer and Malcolm on any matters pertaining to the New county. Information will be cheerfully furnished by these gentlemen and don't hesitate to ask for any information you want concerning the progress of the New County campaign. At headquarters information can be had as to the qualifications for voting, the hours of voting, places of voting, the methods of voting and any other information that will be of value to those working for the success of the New County. Mr. Hamer or Mr. Malcolm will be in the office all the time and you can get what information you want merely for the asking.

Princess Flora and Prof. Scott at the Carnival.

World's Greatest Palmist, Clairvoyant and medium.

"By Their Deeds Shall Ye Know Them" Says scripture, and So It Has Proved with Flora—\$20,000 for any one that can equal her. She tells you your name as soon as you come in and also the one you will marry.

Who reads your life from the cradle to the grave.

During the Omaha Exposition she read the hand of President McKinley and predicted that he would die by the hands of an assassin which prediction came true.

While in Toronto, Ohio, Princess Flora read the palm of Mr. John Johnson, who was one of the stockholders in an oil prospect which was about to be abandoned. When she read his hand she said, "You are interested in an enterprise in a westerly direction from Toronto which will prove better than you expect." Mr. Johnson at once consulted his colleagues, and they went to work with renewed energy, with the result that oil was soon reached.

Princess Flora is a natural clairvoyant and locates stolen and lost articles. Her powers are simply wonderful.
