A good number of our people attended the carnival in Dillon last week.

After a successful week the Maryland Amusement Co., folded its tents and quietly stole away from town Saturday night. The company goes to Barnwell where they are to fill a week's engagement. The shows were well patronized while here and the show people seemed to be a very orderly set. Only one arrest was made during the week which speaks well for the large crowds that attended the shows every day. Saturday night some persons cut the rope that runs the merry-go-round and put that machine out of business, much to the disappointment of the Saturday night darkey.
