

County Campaign Opens At Pages Mill.

Large Crowd was Present at the Initial Meeting and there was Much Good Feeling Among Both Speakers and Hearers.

Dillon county's first political gun was fired at Pages Mills Tuesday. There was a large crowd of substantial citizens of the Pages Mills community out to hear the speakers and the brief speeches were listened to with marked attention. An atmosphere of good fellowship was felt in the initial meeting and there was no spice and ginger in the utterances of the candidates. Each candidate presented his claims in a modest and formal manner and in many respects the meeting was unlike other meetings of a political nature which the people have been accustomed to attend. That the Pages Mills people are taking a deep interest in what may be termed the first real step in the organization of Dillon county's affairs was evidenced by the liberal attendance at Tuesday's meeting. There were present representative business men and farmers—men whose time at this season of the year is valuable—and the unflagging interest with which they listened to the speakers seemed to indicate a desire to correctly measure the ability of the candidates for the several offices.

The meeting was called to order by Mr. B. F. Edwards and the speakers were announced in the following order:

For Clerk of Court: Jno. C. Bethea, Maurice Manning, J. R. Watson.

For Treasurer: E. C. Allen, S. D. Jordan, W. McInnis.

For Auditor: T. L. Bass, C. G. Bruce, F. T. McLellan, H. McRae, J. H. Sedberry.

For Sheriff: Jno. B. Damer, J. D. Haselden, S. V. Lane, F. M. Page, S. F. Stephens, R. Webster.

For Supervisor: J. Frank Bethea, R. K. Hayes, S. W. Jackson, David Miller, J. W. Rowland, T. J. Walker.

For Coroner: B. F. Gasque, T. T. Moody, W. C. McKenzie, S. P. Proctor, Allen Sarles, W. M. Taylor, G. R. Williams.

For Probate Judge: W. H. Breeden, R. A. Brunson, Elihu Muldrow, A. K. Parham.

For County Commissioner: W. J. Adams, E. L. Moore.

A letter from Mr. J. P. Lane, candidate for Supt. of Education, who was called to Columbia Tuesday on official business, was read by the chairman.

The first political campaign meeting in Dillon county was then adjourned and the candidates and their friends dispersed to the several homes in Pages Mills where they discussed politics while they enjoyed bountiful repasts.

R. L. T.
The Great Liver Medicine and General Tonic.

Don't take pills and violent purgatives. They only make bad matters worse. They don't cure. Take R. L. T. for Constipation, Biliousness, Indigestion and all Liver troubles. It acts in perfect harmony with nature.

Dr. Richardson has been prescribing continously for 25 years and says he does not know of any remedy that will give such good results, as this remedy.

Why not try a medicine when its effects are so very successful in almost every case where its used and when we offer some of our own personal guarantee that it will not cost you one cent if it does not do what we claim. This is a reasonable proposition that you believe what we say or at least give it a thorough trial when we take a risk. These are facts we want the people to substantiate and when they try R. L. T. we know they will unhesitationly agree with us when we assert there is no better remedy on the market. R. L. T. is a medicine prepared by a Physician's prescription (Dr. J. M. Richardson, of Anderson, S. C.) which he used with wonderful success for at least 25 years. We are daily receiving good reports about this medicine and we know if all who are in need of a Liver medicine (most of us are) would give R. L. T. a fair trial they would pronounce it a thoroughly reliable remedy and would not be without it in their homes. It aids and cures Indigestion, cleanses the Liver of all impurities and a better Tonic cannot be found. It tones up the whole system and prepares you for spring weather. Now, we insist that you try R. L. T. beginning at once, and if after a fair trial you are not satisfied, tell us, and we will cheerfully and promptly return your money without question. Call at Evans Pharmacy and see testimonials from leading citizens of our city.

I have been using "Richardson's Liver Tonic" in my home for some months past and find it an excellent preparation. It has served as a substitute for calomel, giving the desired effect without the usual nausea following a dose of calomel, and leaving the liver in normal activity. I recommend it without hesitation.

A. J. CAUTHEN,
Presiding Elder Anderson District.

I always keep on hand a bottle of R. L. T. I have used it in my family with most satisfactory results for liver troubles, for constipation and as a general tonic. I value it very highly and know from experience that it does all that is claimed for it.
