HELD FOR CONTEMPT.

Treasurer Montgomery Defendant.

Peculiar Case Arises as Result of Division of Marion County and the Forming of Dillon.

The following correspondence from Marion is taken from the Col- Due from Banks and umbia State:

A peculiar, and to J. D. Montomery, treasurer of Marion coun- Gold, ty, an annoying situation, was today brought about as a result of Cecks and Cash Items, the division of Marion and the formation of Dillon county.

Prior to October 1909 Prevatt was required to put up a cash bond for his appearance in court at Marion. Failing to appear the bond was forfeited and by order of the court paid to the treasurer of Marion county, the amount of the bond being \$150. There was then no Dillon county so the cash was entered in the general fund and paid Acces and Bills Rediscounted, out as was other revenue derived from taxation, that part of Marion Bills Payable, Including Certhat is now Dillon receiving its propartionate share in the distribution. When Dillon county was created provision was made that all pending cases from that part of old Marion county now Dillon, should be transferred to Dillon county.

At the first term of court held in Dillon the case of Prevatt was called and Prevatt failing to apear, the solicitor demanded the bond. When it was ascertained that the bond had already been paid in Marion county an order was obtained treasurer of Marion to pay to the 1910 county of Dillon the \$150. When the order was received the treasurer filed his reply with the clerk Directors: of court of Dillon, and sent a copy L. C. Braddy, to Solicitor Wells, who was to rep- A. B.
