RHEUMACIDE

Almost a Miracle
Wonderful Cure in South Carolina

Dillon, S. C., August 18
In September, 1899, I took Rheumatism in a very bad form (inflammatory). In a month after the disease started I had to give up my work and go to bed. It continued to grow worse until my arms and hands were badly drawn, so much so that I could not use them. My legs were drawn back until my feet touched my hips. I was as helpless as a baby for nearly twelve months. The muscles of my arms and legs were hard and shriveled up. I suffered death many times over. Was treated by six different physicians in McColl, Dillon and Marion, but none of them could do me any good, until Dr. J. P. Ewing of Dillon, came to see me. He told me to try your RHEUMACIDE. He got me one bottle of the medicine and I began to get better. I used five and a half bottles and was completely cured. That was two years ago and my health has been excellent ever since. I have had no symptoms of rheumatism. I regard RHEUMACIDE as by far the best remedy for Rheumatism on the market. I cannot say too much for it. I have recommended it to others since and it has cured them. Will say further, that I began to walk in about six days after I began to take RHEUMACIDE, with the aid of crutches, in about three months after I began to take it I could walk as good as anybody, and went back to work again.

JAMES WILKES

Dr. Ewing Confirms the Statement

Dillon, S. C., August 18
I used RHEUMACIDE on a chronic case of Rheumatism that had been unsuccessfully treated by several other physicians, and prescribed it more as a Placebo than anything else; and, to my surprise, the first bottle was used up I began to get better. I used five and a half bottles and was perfectly well. The patient was drawn so in his hips and arms that he could not even use crutches. I have since used RHEUMACIDE in other cases with success.

A Dollar's Worth Of Piano Value for Every Dollar Paid!

That's the Marchant guarantee. Our success is based upon the iron bound principles of our selling plan. Briefly stated, the rules of our business code, which make this guarantee possible, are as follows:

- First—To never forget, even in the busiest hours and most trying arguments, that courtesy is an absolutely requisite of a successful store.
- Second—To select pianos for our floors, which we know from years of experience are the BEST IN QUALITY, and to pay for them in cash, so that in saving for ourselves we will save for the customer.
- Third—To mark such piano at a price which QUALITY FOR QUALITY, we guarantee to be the lowest in the United States.
- Fourth—To give neither heed nor pay to the commission taker, that avaricious person who sells his influence to dealers and deceives his friends into believing he is helping them to select their piano "just for friendship sake."
- Fifth—To gather in our store the best pianos and the best makers, including Knabe, Krueh & Bach, Bush & Lane, Ludwig, Lauter, Haines Bros., etc., etc., and best of all, give our customers the same as another for his money.
