Wilson Laughed at This

The other day President Wilson forgot his worries by attending a show. The following by the comedian made the President omit a roar and official Washington sort of regards it as the official Washington joke. To wit:

"It has gotten so now that only guys in uniform can get a drink, and it's funny, but in the army a fellow can only drink with another fellow of the same rank; that is, a private can only drink with a private, but not with a corporal; a corporal can't drink with a sergeant; a sergeant can't drink with a lieutenant; a lieutenant can't drink with a captain; and a captain can't drink with a major. Now, ain't that tough on March? He has to wait until Pershing gets back!"

Life Was a Misery Mrs. F. M. Jones, of Palmer, Okla., writes: "From the time I entered into womanhood... I looked with dread from one month to the next. I suffered with my back and bearing-down pain, until life to me was a misery. I would think I could not endure the pain any longer, and I gradually got worse. Nothing seemed to help me until, one day, I decided to TAKE CARDUI The Woman's Tonic"

Cardui The Woman's Tonic "I took four bottles," Mrs. Jones goes on to say, "and was not only greatly relieved, but can truthfully say that I have not a pain. It has now been two years since I took Cardui, and I am still in good health. I would advise any woman or girl to use Cardui who is a sufferer from any female trouble." If you suffer pain caused from womanly trouble, or if you feel the need of a good strengthening tonic to build up your run-down system, take the advice of Mrs. Jones. Try Cardui. It helped her. We believe it will help you. All Druggists 1.68
