SWEET HOME SCHOOL CLOSES

It is the opinion of the majority that our exercise was a success.

We had beautiful weather and other conditions favorable for large attendance. It seems that we might fittingly think of it as an educational week in our community.

The music recital on Monday night was well planned and carried out under the directions of Miss Onita Berry as teacher. The students although being in the first principles of music did their parts well, both instrumental and vocal.

The program Tuesday night was enjoyed by a very large audience. Smith and Lundy Vaught. Dighth The first part consisted of a debate between representatives of the two this is the seventh year with out account year with out account a few bad colds of them leaving us.

Watson announced the decision and awarded the medals to Robt. Little and Harry Vaught. The boys times victory is harder to bear than preparation.

After the debate an address was given by Dr. Rufus Ford. Surely the spirit of that splendid discourse on phases of life namely, happiness, cherefulness and usefulness. Two phases of our school work especially, should be emphasized more than ever before, which are regularity of attendance and a continuance in school until the cause whatever it may be is completed.
