All the blood in the body passes thru the kidneys every few minutes. This is why the kidneys play such an important role in health or disease. By some mysterious process the kidney selects what ought to come out of the blood and takes it out. If the kidneys are not good-workmen and become congested—polsons accumulate and we suffer from backache, headache, lumbago, rheumatism or gout. The urine is often cloudy, full of sediment; channels often get sore and sleep is disturbed at night. So it is that Dr. Pierce, of the Invalids' Hotel and Surgical Institute in Buffalo, N. Y., advises "Washing the Kidneys," by drinking six to eight glasses of water between meals and then if you want to take a harmless medicine that will clear the channels and cure the annoying symptoms, go to your druggist and set Anuric (double strength) for 80e clear the channels and cure the annoying symptoms, go to your druggist and get Anuric (double strength), for 60c. This "Anuric," which is so many times more potent than lithin—will drive out the uric acid poisons and bathe the kidneys and channels in a soothing liquid. If you desire, write for free medical advice and send sample of water for free examination. Experience has taught Doctor Pierce that "Anuric" is a most powerful agent in dissolving uric acid, as hot water melts sugar. Send Dr. Pierce 10c for trial package.

Tonight! Take Dodson's Liver Tone! Better Than Calomel For Liver

Calomel sickens! If bilious, constipated and headachy read my guarantee.

Calomel is mercury or quicksilver, which causes necrosis of the bones. Calomel, when it comes into contact with sour bile, crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out." if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just take a spoonful of harmless Dodson's Liver Tone.

Here's my guarantee-Go to any drug store and get a bottle of Dodson's spoonful tonight, and if it doesn't |-Adv.
