## Do You Want to Know Both Sides?

Swift & Company's 1919 Year Book, just out, tells you

What Swift & Company's profits were in 1918,

The truth about the Federal Trade Commission's investigation,

Why the prices of butter and eggs are so high,

And many other vital facts.

Whether or not you agree with us after reading this Year Book, you will at least know both sides.

You will find it interesting; Americans like to hear about big things done in a big way.

You will also discover that we are merely human beings like yourself, doing in the best possible way a necessary service.

Legislation is pending in Washington; as a good American citizen you want to know both sides of this question. It concerns you, as well as one of the most important industries in the country.

Do not hesitate to send for a copy of this booklet. Your name and address are all we need.

## STOMACH TROUBLE

Mr. Marion Holcomb, of Nancy, Ky., says: "For quite a long while I suffered with stomach trouble. I would have pains and a heavy feeling after my meals, a most disagreeable taste in my mouth. If I ate anything with butter, oil or grease, I would spit it up. I began to have regular sick headache. I had used pills and tablets, but after a course of these, I would be constipated. It just seemed to tear my stomach all up. I found they were no good at all for my trouble. I heard

## CO. D. MEN ARE PRESENTED MEDALS BY GEN. PERSHING

### Clinton Boys Cited for Conspicuous Gallantry Under Fire.

Laurens, S. C., Feb. 12, (Special)—In a letter received by The Advertiser yesterday from Capt. Arthur Lee, Co. D, 118th Infantry, Thirtieth Division, he tells of the gallant conduct of his men while under fire in France. Two of his men, Private Philip Miller, from some point in South Carolina, and First Class Private Ernest G. Green, of Ashport, Tenn., were presented with the Distinguished Service Medal by General Pershing on January 22nd for gallantry and bravery while under heavy fire. The following men, all well-known here, were cited in General Orders for conspicuous gallantry while under fire: Sergt. J. Karpis, Private Clinton, Corp. Doc J. Buchanan, Laurens; Sergt. Johnnie Hamilton, Laurens; Corp. Mage McAbee, Laurens; Private John D. Felder (S. C.) and Private Will P. Dunaway, Laurens.

### SOCIETY NEWS.

Miss Marie Cosby was hostess on Friday evening when she delightfully entertained the G. G. G. club at a birthday dinner. The color scheme of red and white was carried out. Soon after the guests arrived they were invited into the dining room where the Valentine spirit was prevalent. In the center of the table was a lovely jewel plant and the soft glow from candles added cheer to the room. Cupids were darted over the table and each guest found her place by cupping little place cards. A delicious course dinner was served. The evening was thoroughly enjoyed. Soon after dinner the party went to the college gym to see their team win over Simpsonville high school. The guests of Miss Cosby were Misses Sybil Burdette, Nan Copeland, Mary Henry, B. Copeland and Rowena Jones.

### Christian Endeavor Notes

The local Christian Endeavor society was fortunate in having with them on January 29th, Miss Grace Hooper, of Crete, Neb., National Superintendent of Junior Christian Endeavor. Miss Hooper is not only an extensively traveled and efficient worker of Christian Endeavor, but also a woman of remarkable attractive personality. In the morning she paid a visit to the school children at Lydia Mill in the interest of the Junior Society, which has been recently re-organized at that place. In the afternoon she talked to the children of the town, at the First Presbyterian church. After this service, which had been thoroughly enjoyed by the little folk, Miss Hooper held a conference of the older members, giving much valuable help and many suggestions for the organization and carrying on of work for the young people of the church.

Wednesday night Miss Hooper spoke to the young people and their parents, at the First Presbyterian church. This address "A Challenge of the Times", showed the opportunities of the future, in the reconstruction of the world, which will be the work of the coming generation. For the carrying on of this work, Miss Hooper emphasized the necessity of training the young people.

### \$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists, etc.

Capt. Lee stated that before this reached here the company would in all probability be on its way home, but as it has been "on its way home for about two months" he was not certain. However, he thought they would start in a week or ten days. In closing he sent his regards to "everybody."

With his letter Capt. Lee sent a list of the company, with the exception of the officers, as it was at the time of writing. He stated that this list should quiet the fears of many who felt uneasy about members of the company. All those included in the list, he said, are still alive, healthy and drilling in the company every day. It will be noted from the list that the company is made up in part from troops from many states and from at least two countries. It follows:
