**An Antipodean Mr. Blunderby.**  
An old veteran who was for a long time curator of a college in Australia was noted for his malapropisms. One day he was summoned by two students from different ends of the corridor. The double summons exasperated him. "Gentlemen!" he exclaimed. "I really cannot be unliquitous."—Boston Transcript.

**CARDINAL GIBBONS PRESENTS RESOLUTIONS TO BE LAID BEFORE CONFERENCE.**

**\$1,250,000 QUICKLY RAISED**

Delegates From Many States, Representing Irish Organizations, Crowd Philadelphia Academy of Music.

Philadelphia—A resolution presented by Cardinal Gibbons for the peace congress to apply to Ireland the doctrine of national self-determination, and that a declaration of principles demanding that if any league of nations be created, all features which may infringe on the traditional American policy, including the Monroe doctrine, shall be eliminated, were adopted unanimously at the closing session of the convention of the Irish race in America.

In support of the movement to bring freedom to Ireland the convention pledged to raise within six months one million dollars, but before Justice Daniel F. Cobalan, of the New York supreme court, chairman of the convention, completed the calling of a list of states and cities, more than \$1,250,000 had been pledged to the cause.

Delegates from many states, representing a large number of Irish organizations, crowded the Academy of Music when Cardinal Gibbons in a few words presented the resolution calling for the right of Ireland to select its form of government. Applause swept the crowd as the cardinal slowly read the paper.

**No Worms in a Healthy Child**  
All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHLORINE given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

**BAVARIAN PREMIER KILLED AT MUNICH**

**GREAT EXCITEMENT PREVAILS AMONG THE PEOPLE IN THE STREETS OF MUNICH.**

**DEPUTIES ARE PANIC STRICKEN**

Shots Wounding Minister Fired From Gallery of Building Where First Landtag Was Being Held.

Copenhagen.—Kurt Eisner, the Bavarian premier, was shot and killed by Lieut. Count Arco Valley, as Eisner was on his way from the foreign ministry in Munich to the diet, says a Munich dispatch. The shooting occurred in the Prannerstrasse, and death resulted from two shots fired from behind his head.

Eisner's body was carried into the foreign ministry, where it lies in the porter's lodge.

Soon after the shooting the judicial and police authorities arrived to investigate the assassination. There was great excitement in the streets of the city.

The diet, which was holding its first session, adjourned indefinitely.

Munich.—Herr Auer, Bavarian minister of the interior, has been shot.

The shooting took place during a session of the landtag, while Auer was alluding to the assassination of Kurt Eisner, the Bavarian premier.

Auer fell wounded in the left side and Deputy Osel was killed and two other officials seriously wounded.

The shots were fired from the public gallery and caused a panic among the deputies.

The diet building now is being guarded by the military.

**PREMIER CLEMENCEAU NOW CONSIDERED OUT OF DANGER**

Paris.—M. Clemenceau spent a short time in his garden. He had luncheon at midday and his appetite was good. After luncheon he rested for a while and then received General Petain at 2 o'clock.

Dr. Florant, whose name headed today's morning bulletin, is M. Clemenceau's personal physician. Dr. Florant recently had one of his legs amputated. His visit to the premier was the first time he had been out since the operation. When leaving M. Clemenceau's residence, Dr. Florant declared that, with his intimate knowledge of the premier's temperament, he considered M. Clemenceau's condition excellent.

"I consider M. Clemenceau out of danger," he said. "As for the extracting of the bullet, this need not be thought of, at least for the present."

**LAGGING COMMITTEE WORK HASTENED BY CONFERENCE**

Paris.—The committee of the peace conference is very anxious that the work of the commissions should be hurried as much as possible. Their labors, as was anticipated, have been very protracted, the league of nations commission being so far the only one, which has accomplished its task.

It is likely steps will be taken to impress upon the commissions the necessity of speeding up their labors with a view to arriving at a conclusion before the return of Mr. Wilson. The task of the special commissions on the claims of the various nationalities has been on the whole more easy.

**TWENTY THOUSAND SOLDIERS ON THEIR WAY FROM FRANCE**

Washington.—The departure from France of 700 officers and 20,000 men of the army on seven vessels, including the battleship Michigan and cruiser Rochester, was announced by the war department. The ships are due at Atlantic ports between February 25 and March 5. Included among the men are the first units of the 27th (New York national guard) division to start for home.

**MUNICH POLICE STATION STORMED BY SPARTACANS**

Copenhagen.—Spartacan forces in Munich stormed the police station and arrested the chief of police and several other persons, according to reports from Berlin. The government forces later attacked the spartacans and early in the evening had recaptured all public buildings.

Several soldiers were wounded in the fighting. Sailors who formed the spartacan garrisons surrendered.

**CERTIFICATES HAVE BEEN OVERSUBSCRIBED**

Washington.—The last offering of \$600,000,000 certificates of indebtedness was oversubscribed by \$20,578,000, the treasury announced. Oversubscriptions were given by the St. Louis, Minneapolis, Chicago, Cleveland, New York and Philadelphia districts, while the San Francisco, Boston, Atlanta, Richmond, Kansas City and Dallas districts failed to reach their quotas.

*Nice new furniture and rugs will make home happy.*

Dear Amy:—  
New furniture demands new rugs. When you go to buy your rugs it makes lots of difference where you go to buy them. I always leave the selection to people who know what colors will harmonize with my furniture, and what kind will give long wear and always keep their bright colors.  
Always your friend,  
Lou.
