A nicely furnished home is a comfort

Dear Amy:—

Some women put all of their money in pretty clothes, which soon wear out. I believe every woman should furnish her home handsomely before she spends everything on "outside" show. I believe in "inside" comfort.

The whole family can enjoy a well dressed home and for a long time. Then you wont mind if the neighbors do come in to visit, will you?

Always your friend,
Lou.

P. S.—Buy good, reliable furniture while you are at it. The only store I ever think of buying furniture and rugs from, is

ATMOSPHERE TENSE AND APPREHENSIVE

POLAND BONE OF CONTENTION AND IMMEDIATE SUBJECT OF CONFERENCE DISCUSSION.

VIEWS ARE WIDELY DIVERGENT

Lloyd George Fears Denationalization of So Many Germans Would Cause Another War.

Paris.—When the council of great powers met it was in an atmosphere of considerable apprehension over Poland, which is the chief subject of discussion. This is not on account of Poland itself but because of differences which have arisen affecting the fundamental question of nationality, to which President Wilson has given his strong approval and also his thirteenth "point" which called for an independent Polish state with access to the sea.

This last cause has introduced an issue on which there is a wide divergence of views. A committee under the chairmanship of Jules Cambon, with Sir William Tyrrell as the British member and Dr. Robert Lorhd as the American, has reported the plan giving Poland this access to the sea by means of a "corridor" 60 miles wide running across east Prussia. But the effect of this concession is to place about 1,500,000 Germans within the new Poland and to detach the easternmost part of Prussia from Germany.

Premier Lloyd George has taken the view that this denationalization of a large body of Germans would cause such discontent as would be likely to bring on another war and it is understood that President Wilson also is not entirely satisfied with the proposal.

OFFICES OF POSTAL SYSTEM ARE REMOVED BY BURLESON

Washington.—Differences between the management of the Postal Telegraph & Cable Co., and Postmaster General Burleson culminated in an order by the postmaster general summarily relieving the chief officers, directors and owners of the Postal company from all duties in connection with government operation of their system.

An announcement by the postoffice department says that the order removing Messrs. Mackay, Cook and Deegan from the operation of the Postal company's lines under government control was "made necessary by the fact that since the postoffice department refused to grant the compensation asked for by them, these officials have refused or failed to follow out the instructions of the department in the management of the properties and failed to put into operation promptly the wage schedule and the eight hour day; and in various ways endeavored to embarrass and discredit the government operation of the wires.

YELLOW PERIL IN LOWER CALIFORNIA

ATTENTION OF JAPANESE IS CALLED TO OUR ATTITUDE ON ALIEN LAND HOLDING.

ONE MILLION ACRES SOUGHT

No Land Sales to Foreigners Which Might Be Used for Military or Naval Purposes Favored.

Washington.—As a result of telegrams from Senator Phelan, of California, giving information of a proposal by Japanese interests to acquire a large tract of land in Lower California owned by Americans, the state department has called the attention of the owning corporation, the California-Mexico Land Company, of Los Angeles, to the attitude of the United States government toward such sales of property which might be used for military or naval purposes.

It was said at the state department the land in question was reported to comprise nearly a million acres. The use to which the prospective purchasers propose to put it is not known here.

Documents indicating the attitude of the government to which the department called the Los Angeles company's attention included the Lodge resolution in the 62nd Congress and a message by President Taft.

The Lodge resolution declares the sales of property by Americans to any nation which might use the site as a base to threaten the United States could not be seen without grave concern by the government of the United States. The message of President Taft transmitted a report by Secretary Knox in response to a senate resolution, and conveyed correspondence between the office of the secretary of state and a New York lawyer who represented a Japanese syndicate which sought to purchase land on Magdalena bay.

SITUATION IN EGYPT IS DISTINCTLY GRAVE

London.—The situation in Egypt is becoming worse and at the present time is distinctly grave, a Reuter dispatch from Cairo says. General Allenby, the commander in Palestine, will reach Cairo Tuesday. The large forces of troops already in Egypt are being reinforced.

A large number of armed bedouins have entered Behira province, lower Egypt, from the west and are robbing towns and villages. The situation is not regarded as presenting any military danger.

The Turkish flag is reported to be flying in some villages of Beheira province. There are no reports of any casualties having been suffered by the military, but some prominent native officials and several Egyptian police have been killed.

The legislators then propose to run for re-election, as they suggest Reed should do, to force a popular vote in Missouri on the league of nations.

The house of representatives recently passed resolutions demanding that Senator Reed resign because of his opposition to President Wilson's program.

FIRST GREAT RESULT TO BE OBTAINED IS PEACE

Paris.—"The first result to be obtained is peace, and the quickest peace possible," said David Lloyd George, the British premier, in a statement. "All internal events in every country, allied or enemy, are dependent upon that peace, which we expect and desire to come at the earliest possible moment. Pending this, everyone is living in a state of expectation and uncertainty. Commerce and industry are stagnated.

30 TRAINING CAMPS ARE TO BE RETAINED BY GOVERNMENT

Less than \$15,000,000 will be involved, Mr. Crowell said, and it will not be necessary to await action by Congress as the department now has the necessary funds.
