

POSTAL SERVICE SATISFACTORY

We the undersigned business men of Clinton, and patrons of the Clinton Post Office, of which W. M. McMillan is postmaster, wish to endorse the manner in which he and his assistants have conducted the affairs of the office. The service is good, all mail deliveries are prompt, and in view of the shortage of help in the office force and the increased amount of business expedited through the office; we heartily endorse his administration of the affairs of the office and take this opportunity of stating that the service is entirely satisfactory.

VOLUNTEERS MAY SERVE OVERSEAS

Call for Fifty Thousand Coming. Will Visit Germany.
Washington, March 28.—An immediate call for 50,000 volunteers for service in Europe has been prepared by the war department and probably will be published tomorrow. As an incentive to enlistment the men will be offered early duty in France as a relief for men in the expeditionary forces who wish to return home.
Enlistment in this special force will be for three years. The men will be concentrated at Camp Meade, Md., and probably will be sent overseas in contingents of 1,000 strong.
War department officials expressed confidence that no trouble would be experienced in raising the 50,000 men or an even greater number if necessary. The bulk of the men are expected to come from recently discharged troops, especially those who after having been drafted and trained were

prevented from going overseas by the armistice. Opportunity to see service in Germany, it is thought, will lead many of these to enlist.
A number of officers, probably ten to 12, will be sent overseas with each increment of 1,000 men leaving Camp Meade. These will be used at the concentration camp to give the preliminary training necessary to whip the men into casual organizations and make the required examinations. On arrival in Europe they will take the places of officers eligible for discharge.

JAP ASKS REASONS FOR DISCRIMINATION

Says Mexicans and Filipinos are Freely Admitted to America.
Tokio, Feb. 27.—In the House of Peers today a member presented an interpellation regarding the terms and the period of enforcement of the "gentlemen's agreement" concluded in 1907 between Japan and the United States and asked whether the said agreement is intended to be kept in force forever. He stated that he had heard that the regulation of emigration was enforced more strictly by the Japanese authorities than by the Americans. He wanted to know the reason why Japanese are being subjected to such regulations while the Mexican and Filipinos are freely admitted to America.
M. Shidehara, vice minister of foreign affairs, replied that the so-called "gentlemen's agreement" did not exist. There was a voluntary declaration made by Japan for regulating the influx of Japanese to America. It means that no Japanese may emigrate but that those who are already in America are free to call their families from Japan.
The imperial government is bound to live up to its declaration, he said. Many a time anti-Japanese laws are understood to have been brought before American legation, but owing to, and in appreciation of Japan's efforts all such anti-Japanese measures have failed to pass. The said declaration will be kept in force for some time yet, it may be abolished when the Japanese immigrants convince the American authorities their presence is no cause of danger to American institutions.

Resolved.

That peace will find us backing Uncle Sam as strongly as we backed him in war.
That between now and April we will lay every possible stone of the groundwork for the Fifth Liberty Loan and leave no act undone which will tend to keep alive and quicken the consciousness of the nation that savings and thrift are peace essentials.
That we will exert our efforts to stop trafficking in bonds of the first four loans and will keep our War Savings Stamps.
That we will carry out our War Savings pledge if that is unfulfilled, and make and keep new Savings pledges this year.
That we will work tooth and nail from now till the last day of the April drive to oversubscribe that Liberty Loan.
That we will finish our job.
