

ASPIRIN ROBBED OF DANGER TO THE HEART

New Perfected Tablet, Called Aspitone, is Slightly Stimulating instead of Depressing to Heart. Especially Recommended by Physicians in Influenza, Severe Colds, Headache, Neuralgia, and Rheumatism.

Physicians and druggists are very enthusiastic over Aspitone, the new and improved aspirin tablets that are said to be slightly stimulating instead of depressing to the heart. They explain that severe colds, influenza, fevers, headaches, neuralgia and rheumatism are almost invariably attended by a weakness of the heart and require stimulation rather than depression. Heart failure, they say, is especially to be guarded against in influenza and pneumonia, hence they recommend Aspitone. A gentle laxative with one or two tablets of Aspitone as needed, is now the physician's favorite treatment for severe colds and threatened pneumonia. It will usually cut short a cold or sore throat over night. Aspitone tablets are also being used with splendid results for the relief of pain in headaches, neuralgia and rheumatism. The leading druggists everywhere are now supplied with Aspitone, which is sold in sealed packages, price thirty-five cents. They may be obtained locally at the City Pharmacy, T. E. Rhames, Sable Ovens and Young's Pharmacy.

Sweet Potato Plants

I have contracted for 75,000 Nancy Hall and Porto Rico Potato Plants and can get them any time desired on 3 or 4 days notice from now until June 15th. Please give me your order.
L. C. BOLAND.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts through the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address P. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists, 75c.

Life Was a Misery

Mrs. F. M. Jones, of Palmer, Okla., writes: "From the time I entered into womanhood . . . I looked with dread from one month to the next. I suffered with my back and bearing-down pain, until life to me was a misery. I would think I could not endure the pain any longer, and I gradually got worse. . . Nothing seemed to help me until, one day, . . . I decided to

TAKE

CARDUI

The Woman's Tonic

"I took four bottles," Mrs. Jones goes on to say, "and was not only greatly relieved, but can truthfully say that I have not a pain."

"It has now been two years since I took Cardui, and I am still in good health. . . I would advise any woman or girl to use Cardui who is a sufferer from any female trouble."

If you suffer pain caused from womanly trouble, or if you feel the need of a good strengthening tonic to build up your run-down system, take the advice of Mrs. Jones. Try Cardui. It helped her. We believe it will help you.

L. 68

ENDOWMENT TO BE IN LIBERTY BONDS

NATIONWIDE CAMPAIGN IS ON TO
RAISE \$3,000,000 FOR A VERY
WORTHY PURPOSE.

LUTHERANS ARE WIDE-AWAKE

Officially Stated That the Members of
the Denomination Own \$50,000,000
Worth of Liberty Bonds.

Lay members of the Lutheran churches, connected with the Missouri Synod, which covers the entire United States and is the largest Lutheran body in this country, have undertaken a nationwide campaign to raise at least \$3,000,000 in Liberty bonds, the income of which is to be used for the support of its superannuated ministers, professors, teachers and their dependents. The outstanding feature of this campaign is that it is based on Liberty loan holdings of the members of this body. The official statistician of the synod has established the fact that its members hold \$50,000,000 in Liberty bonds, and, as not all reports are in, it is estimated that the total amount held is about \$65,000,000. The aim of the campaign is to get the members of this body to donate 10 per cent of their Liberty bonds, which are to be deposited in an endowment fund, and the proceeds only used for ministerial relief.

Heretofore the funds for ministerial relief were raised by voluntary contributions and about \$75,000 annually was received for this purpose. As the synod supports about 700 beneficiaries and the high cost of living makes it desirable that the amounts paid be increased, this drive is being conducted to get a permanent fund, the proceeds from which will enable the synod to give its veterans of the Cross a support, more nearly adequate to their needs.

Negro Preachers Take a Hand.

The colored Interdenominational Ministers' Union met recently at the Ladson Presbyterian church, Columbia. The Rev. D. F. Thompson presided. After the devotional exercises the committee that was appointed to consider the advisability of erecting a slab or a memorial building at Orangeburg in honor of negro soldiers, made its report.

It was stated that at a meeting of colored citizens held some weeks ago, an organization was effected, and a commission was appointed to make application for a charter, and to arrange for a drive to raise money for this purpose. The ministers claim that this organization was unauthorized by anybody that is composed of the genuine leaders of the race. Hence they are opposed to it. But they put themselves on record as being in favor of a monument being erected in honor of the negro soldiers, and it is their unanimous wish or opinion that it should be in Columbia. It was urged that Columbia is the capital, it is central, and the headquarters of nearly all the secret orders of the negroes in the state, therefore, the monument should be erected here.

To Resume Seed Buying.

The oil mills of the state will probably start buying cottonseed again within the next few days, said Chairman J. Scottowe Wannamaker, of the central committee of the South Carolina Cotton association. This, he said, would probably be one result of the bitter controversy which he has had recently with Governor Allen, of Kansas.

For some time there has been no market whatever for cottonseed in the state and many farmers have been using them for fertilizer purposes. Every effort has been made by the central committee to have the conditions that have operated to close the market for cottonseed removed, but information received by it is to the effect that the mills will probably again begin to purchase seed within the next few days.

This will be good news indeed for the farmers of the state.

Will Invest \$50,000.

The sinking fund commission decided to invest \$50,000 in the Victory loan bonds.

This was done at a meeting of the board at which a number of routine matters received attention.

The board appointed State Treasurer Carter and Comptroller General Osborne to formulate rules for guidance in insurance matters. It was decided that the board hereafter would carry net lines to the amount of \$15,000 on brick school buildings and \$5,000 on frame buildings.

Some New Enterprises.

W. Banks Dove, secretary of state, commissioned the Brandwood Theater Company of West Greenville, with a proposed capital stock of \$2,000.

Harris Springs, Company of Harris Springs, Laurens county, was chartered with a capital stock of \$20,000.

Professional Building Company of Greenville was commissioned with a proposed capital stock of \$35,000, the petitioner being S. G. Glover, W. H. Powe and W. M. Burnett, all of Greenville.

Preparing for Victory Loan.

The State machinery for the Victory Liberty Loan composed of representatives from every county in the State met in Columbia and discussed the various problems which are to be considered in making the canvass next month. A spirit of optimism was clearly evident. A strong aggregation of workers have been lined up and with the experiences of past campaigns to guide in this canvass, the leaders are confident the State will again go far beyond its apportionment.

Various features to stimulate competition were suggested. One of these is the distribution of German helmets, \$5,000 of which have been brought to America as trophies. It has been suggested by the women's committee to use the helmets as prizes in speeding the work through the school children. Questions of publicity and other angles were considered, and general instruction as to arranging and handling public meetings given. Many public speakers will be available and bands will likely also be furnished. The soldiers themselves are to have an active part in the canvass.

Those present were: Gov. Robert A. Cooper, Edwin W. Robertson, chairman Fifth Federal Reserve district; Charles H. Barron, chairman South Carolina; John W. Simpson, vice chairman South Carolina; Charles H. Gerald, secretary South Carolina; Hunter A. Gibbes, chairman speakers bureau; William Banks, chairman publicity bureau; Mrs. F. S. Munsell, chairman women's committee. Executive Committee: John W. Simpson, Columbia; D. G. McAlister, Columbia; Julien C. Rodgers, Columbia; J. Pope Matthews, Columbia; C. J. Shannon, Jr., Camden.

South Carolina Casualties.

Casualties overseas among South Carolina troops as recently reported are as follows:

Killed in Action—Private James M. Brickhouse, Columbia.

Died of Wounds—Private Sidney N. King, Bethune.

Died of Disease—Lieut. Thos. C. Herbert, Spartanburg; Privates P. E. Settle, Inman.

Died of Accident—Lieut. Austerlin, Cope; Private Coy Coleman, Denmark; Corp. John Smith, New Brookland.

Slightly Wounded—Privates W. E. Mooney, Greer; Manzy Neal, Greenville; Corp. Thomas O. Lesley, Pelzer.

Highway Apportionment.

The State highway commission has announced the amount of federal road building funds apportioned to each county in the State and has issued an instructive and interesting statement interpreting the apportionments of money into terms of road mileage for two good types of road beds. South Carolina's share of federal funds for road buildings amounts to \$3,156,154.04. The State highway commission has apportioned this among the 46 counties of the State on the basis of their population-area, total taxable property and their mileage in the proposed State highway system.

Before the federal funds for road construction become available, they must be covered, under present conditions, dollar for dollar by the counties. Therefore, the federal funds plus the county funds will provide a total of \$6,312,308.08 for road construction in this State.

The following is the federal apportionment by counties:

Abbeville, \$54,601.40; Aiken, \$104,784.31; Allendale, \$30,614.69; Anderson, \$116,777.70; Bamberg, \$37,242.62; Barnwell, \$47,657.93; Beaufort, \$44,501.77; Berkeley, \$74,169.62; Calhoun, \$35,348.92; Charleston, \$150,232.93; Cherokee, \$48,289.16; Chester, \$65,332.39; Chesterfield, \$80,481.93; Clarendon, \$55,863.93; Colleton, \$83,638.08; Darlington, \$67,541.70; Dillon, \$40,714.39; Dorchester, \$45,448.62; Edgefield, \$47,342.31; Fairfield, \$55,232.70; Florence, \$84,900.54; Georgetown, \$40,913.77; Greenville, \$135,083.39; Greenwood, \$73,222.77; Hampton, \$44,817.30; Horry, \$66,594.85; Jasper, \$37,558.23; Kershaw, \$68,488.54; Lancaster, \$56,810.77; Laurens, \$82,375.62; Lee, \$43,554.93; Lexington, \$74,169.62; McCormick, \$36,611.39; Marion, \$47,342.31; Marlboro, \$55,863.93; Newberry, \$67,226.08; Oconee, \$56,179.54; Orangeburg, \$125,614.93; Pickens, \$53,654.62; Richland, \$114,884.01; Saluda, \$39,136.31; Spartanburg, \$146,761.16; Sumter, \$68,804.16; Union, \$62,491.85; Williamsburg, \$78,588.24; York, \$38,687.93; total, \$3,156,154.04.

To Compress Cotton.

Rulings of the Atlanta district freight traffic committee permitting cotton destined for South Carolina and North Carolina cotton mills to be compressed here will be published in the cotton tariffs of the railroads soon according to Secretary Slatter of the Chamber of Commerce who is a member of the freight traffic committee and has just returned from a meeting in Atlanta.

This new ruling will help cotton mill men and cotton men whose customers often want compressed cotton.

City Schools Affected.

With the coming of the new compulsory attendance law many pupils will be forced into schools all over the State. Columbia city schools will feel the effect of the law as well as others and some steps to supply adequate class room facilities will have to be taken as practically every school is crowded. Supt. Hand estimates that from 360 to 400 pupils will be forced into the schools when the new law is applied, making it impossible to accommodate the increasing number with the present classroom facilities.

In Fashion Circles These Spring Suits are Leaders

TRUE TO THE CUSTOM of many years, we approach the new season—Spring—with a handsome assortment of the latest metropolitan styles in Clothing for Men and Young Men—

THERE IS ALWAYS to be found any style, size and color of garment in our store—besides we are proud to say each and every garment—Suit, Shirt, Hat or Shoes—are of the finest make and best quality for the price you pay.
