Everybody sees
your
hall

Dear Amy:...

Don't you hate to go to see anybody, and have them hurry you out of the hall just because it looks shabby? I went to see Laura the other day. Her husband had let her fix up the parlor, but what a hall she had.

A home is not completely furnished when the hall where people just come in does not look inviting. I'm not ashamed of my hall.

Baby's howling for more milk.

So long,
Lou.

P. S.—Buy that new hall tree and buy everything you need for the home from

Habitual Constipation Cured,
in 14 to 21 Days

"LAX-FOS WITH PEPSIN" is a specially-prepared Syrup Tonic-Laxative for Habitual Constipation. It relieves promptly but should be taken regularly for 14 to 21 days to induce regular action. It Stimulates and Regulates. Very Pleasant to Take. 60c per bottle.

No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a result, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.

COMPLETED TREATY BY EASTER SUNDAY

DELAY NOT SO WORRYING AS IS
THE SECRECY SURROUNDING
THE DELIBERATIONS.

NEGOTIATORS FULLY AGREED

Bill of Costs Presented to Huns Must
Be Carefully Considered; and
One That Must Be Paid.

Paris.—The preliminary peace treaty will be ready by Easter and the Germans will be asked to come and sign it at the end of April or the beginning of May, Premier Lloyd George of Great Britain declared in an interview with Stephane Lauzanne, editor of The Matin.

In answer to a remark by M. Lauzanne that what troubled public opinion was not so much the delay, as the secrecy in which the peace negotiations were wrapped and the fear that there was some divergence of opinion, the British premier said:

"I affirm absolutely that there is no divergence among the negotiators. They are often confronted with technical difficulties which can only be settled after close study. Take the questions of reparation. In substance the allies have one common principle, which I once set forth thus: 'Germany must pay up to the last farthing of her power.'"

"But is it sufficient to draw up a bill and hand it to the enemy? Must we not require guarantees and must we not study the terms, methods and forms of delayed payments? Must we not be able to say to our adversary when he pleads inadequacy of resources: 'Yes, you can go as far as that and you must do it and you must do that.' In a word, shall we simply present a bill or collect the money, all the money possible? Well, this is where the work comes in."

The confident statement of Premier Lloyd George that the peace treaty will be concluded by Easter is supported by predictions repeatedly made by less prominent members of the peace conference and dispelled much of the hopelessness and uncertainty in which many important problems of the conference seemed to have been enshrouded.

The opinion was expressed by a responsible British authority that the peace treaty would be ready for signing at a very early date.

WOULD JOIN IN REQUEST TO FIX THE PRICE OF COTTON

Topeka, Kan.—Governor Allen, of Kansas, declared he was ready to join in an appeal to the federal government to fix a guaranteed price for cotton, except that which was in the hands of speculators, in a telegram sent to W. B. Cooper, at Wilmington, N. C.

Governor Allen's telegram was sent in reply to one from Mr. Cooper, who asked him if he "would join Southern cotton people in asking the federal government to guarantee 35 cents a pound for middling cotton up to June, 1920, or so long as the present wheat prices are guaranteed."

In reply, Governor Allen wired: "I will be glad to join Southern cotton people in asking the federal government for a guaranteed cotton price for all cotton that has not been held for speculative prices during the war. This guarantee, of course, would apply to the new crop."

COMPARATIVE STRENGTH OF ARMIES ON NOVEMBER 1ST

Washington.—The central powers faced odds of greater than two to one in mobilized troops when Germany gave up the fight last November. The estimated aggregate strength of the enemy powers at that time, according to official estimates made public by General March, chief of staff, was 7,630,000. The indicated aggregate allied strength on the date was more than 16,700,000.

This situation is disclosed in the figures received by the war department from France giving the present status of the belligerent armies. They show the central powers on March 1 had under arms 1,125,000 men while the allied forces aggregated 13,365,000.

DISABLED SOLDIERS WILL BE WELL TAKEN CARE OF

Washington.—An extensive program of caring for disabled soldiers after their discharge from military service was announced by the war risk insurance bureau, which is charged by congress with this work. Twenty-one hospitals with a capacity of 1,500 beds already are in use and the war department has turned over to the treasury seven camp hospitals for care of disability cases. These are to be enlarged and improved.

AMERICAN DYE CONSUMERS VERSUS GERMAN DYE TRUST

New York.—Plans for the organization of dye consumers in the United States to "protect American textile mills from the unscrupulous methods of the German dye trust," was announced here by Joseph H. Choate, Jr., who said that a corporation, to be known as the Chemical Foundation, which already more than 150 firms have indicated their purpose to join, is now in process of formation.

PRESIDENT IS A SICK MAN

Utmost Care is Necessary to Prevent
What is Now a Bad Cold From
Becoming Something Worse.

Paris.—Reassuring news from President Wilson's bedside was sent to the peace delegates, although the news indicated that the President's condition was such as to make it advisable that he remain in his room.

Study of the case has caused Rear Admiral Grayson, the President's physician, to reach the conclusion that the President is not suffering from influenza, but that the severity of the cold is such the patient will require careful watching.

The illness of President Wilson has caused numerous wild rumors to circulate in the city, and not even the delegates themselves are immune. Colonel House had heard that the president was really down with a case of influenza but Rear Admiral Grayson personally assured both him and the premiers that Mr. Wilson merely had a bad cold. He warned them, however, that the utmost care must be exercised to prevent it from getting worse.

Informally the proceedings of the council were related to the president. King Albert of Belgium, who presented his country's case to the council made an excellent impression, but it is understood to have been given no promises. The Czecho-Slovak question was again discussed as was reparations.

The opinion was expressed by a responsible British authority that the peace treaty would be ready for signing at a very early date.

"IF BELGIUM IS TO LIVE THE COUNCIL MUST ACT"

Paris.—Belgium's case has been laid before the peace conference by the most distinguished advocate Belgium could have chosen. King Albert has been in Paris for the past three days and in numerous conferences with the representatives of the great powers he has outlined the needs of his country and told of the steps that must be taken immediately if Belgium is to be restored.

A member of the Belgian peace delegation told the Associated Press today that, shorn of all its diplomatic niceties, what King Albert told the council, might be summarized thus:

"The time of promises has passed. If Belgium is to live, the council must act."

The Associated Press is able to state that three questions of vital immediate importance to the reestablishment of Belgium, financially, economically and politically, were discussed. The first question was the immediate advance to Belgium of about ten billion francs, the second, the exportation to Belgium from England and the United States of raw materials and the third the cession of Belgium of the left bank of the L'Escaut river and the Lemberg peninsula.

NORTH CAROLINA WANTS HER OWN REGIMENTS TO PARADE

Columbia, S. C.—Approval was expressed by officers and men of the 119th infantry, formerly a North Carolina national guard regiment, when it was learned here that a movement had been started at Charlotte to have the regiment parade in some North Carolina city before being mustered out, so that the people of the state can see their heroes of the Hindenburg battle in line of march. Gratification was expressed that Charlotte had sent a committee to Washington to try to arrange the matter with the war department.

BRIGADIER GENERAL FAISON COMMANDER AT CAMP JACKSON

Columbia, S. C.—Brig. Gen. Samson L. Faison, commander of the famous Sixtieth brigade of the Thirtieth division, and acting commander of the Thirtieth division since General Lewis was ordered to general headquarters, has been designated as commander of Camp Jackson, according to announcement made here.

The doughty Tar Heel, who made a splendid record in France, has arrived here from Charleston.

ALLIED ARMY IN RUSSIA IN PERILOUS POSITION?

Paris.—The situation in the Archangel region in northern Russia has been forcibly brought to the attention of the peace conference by the publication in Paris of the British statement that the troops in the Murmansk and Archangel districts were in danger of extermination unless they were speedily reinforced. Brigadier General W. P. Richardson, U. S. A., is on his way to take command of the American forces in North Russia.
