

PEACE TREATY GIVEN GERMANY

Paris, May 5.—The time for handing over the peace treaty to the Germans was set today for 3:15 o'clock Wednesday afternoon.

The peace treaty formulated by the allied and associated powers is to be handed to the German delegates at Versailles Wednesday afternoon.

Definite announcement of the time when the Germans are to be made cognizant of the price that once imperialistic Germany must pay for having instigated the world war at last has been made.

With peace measureably near by reason of this fact, there now also seems to be good basis for the belief that the differences between Great Britain, France and the United States and Italy over Italy's claims regarding Fiume and the Dalmatia coast may yet be settled with full accord.

Signor Orlando, Italian premier, and his foreign minister, Baron Sonnino, are returning to Paris from Rome where they have been since they quit the peace conference more than a week ago owing to inability to obtain what Italy considered concessions that would satisfy Italian ambitions.

With the Italian question settled, almost complete unanimity of sentiment would prevail in the peace conference. The obstacle, represented by the protests of the Belgians has been surmounted by the Belgian crown council deciding unanimously to sign the treaty. It was pointed out by the head of the Belgian delegation that the document gave honorable and satisfactory terms to Belgium.

China's protests against the award of Kiao Chau to Japan and a number of smaller items are yet under discussion and the council of three sat Monday afternoon in an endeavor to settle the minor ones.

A plenary session of the conference is to be held Tuesday afternoon at which the peace treaty is to be presented to the smaller powers.

Versailles, May 5.—President Wilson and Premier Clemenceau and Lloyd George visited the Trianon this afternoon to inspect the arrangements for the ceremony of handing over the peace treaty to the Germans. They expressed themselves as satisfied.

President Wilson, who reached Versailles at 2:30 o'clock, returned to Paris about 5 o'clock. The two premiers prolonged their visit for a time.

Paris, May 5.—The visit of President Wilson to Versailles this afternoon was inspired, it is understood, by his desire to admit the newspaper correspondents to the ceremony. This desire had met with opposition, one of the grounds being lack of room. The council of three, therefore, decided to look over the situation.

Premier Clemenceau will preside over the ceremonies Wednesday and it is announced that the members of the press will be admitted. There will be 88 delegates from the allied countries and six Germans present.

London, May 5.—According to a dispatch to the Exchange Telegraph from Paris, the question regarding Fiume has been settled in full agreement with the Italian government on the basis that Fiume shall remain an autonomous port for two years, when it will be assigned to Italy.

CALOMEL ROBBED OF NAUSEA AND SALIVATION

Medicinal Virtues Retained and Improved—Unpleasant and Dangerous Qualities Removed—New Variety, Called Calotabs, is Great Favorite With Physicians and Druggists.

The latest triumph of modern pharmacy is the new nausealess calomel known to the drug trade as "Calotabs". Calomel, the most generally useful of all medicines thus enters upon a wider field of popularity—purified and refined from those objectionable qualities which have heretofore limited its use.

In biliousness, constipation, headache, and indigestion; and in a great variety of liver, stomach and kidney troubles calomel was the only successful remedy but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of all medicines to take. One Calotab on the tongue at bedtime, with a swallow of water, that's all. No salts, no griping, no nausea, no danger of salivation. A good night's sleep and the next morning you are feeling fine, with a clean liver and a big appetite. Eat what you please.

Calotabs are sold only in original sealed packages, price thirty-five cents. Your druggist offers to refund the price as a guarantee that you will be thoroughly delighted with Calotabs.—(adv.)

FEW SERIOUS INCIDENTS MAR KMAY DAY

Comparatively Little Bloodshed Marked Radical Celebrations of International Labor in United States.

New York, May 1.—Comparatively little bloodshed marked radical celebrations of international labor day in the United States. The most serious rioting occurred in Cleveland where one man was killed and more than 100 persons, including 11 policemen, were injured. Next in importance was a battle between the police and paraders in Boston during which four persons were shot and many arrests made.

A riot call was sounded in Chicago when radicals attempted to hold a parade which had been forbidden. Several persons were arrested but there was no casualties.

Soldiers and sailors in the city broke up several meetings at which ultra-liberal sentiments were expressed and also raided the office of the Call, a socialist newspaper. They made no attempt to wreck the publishing plant but destroyed a large quantity of socialist literature and roughly handled a dozen employees of the paper. A small army of service men tried persistently tonight to break up a meeting at Madison Square Garden but were beaten off by 1,300 patrolmen mobilized around the building. Scores of men in uniform were beaten with night sticks.

Red plans for the most gruesome May Day tragedy in history miscarried because of the discovery of bomb plots which had nation-wide ramifications. None of the score or more infernal machines entrusted to the mails has claimed its intended victims.

Explosives experts contend that the bombs were powerful enough to blow a man to pieces but only one person has been seriously injured by the deadly devices. That was a negro maid employed by former Senator Hardwick. Three more of the dynamite-filled packages were found in the mails today. They were addressed to Senator Overman, who conducted the senate investigation into disloyalty, to Senator William H. King of Utah and to Frank N. Nebeker, of Salt Lake City, assistant attorney, who was a special prosecutor during the I. W. W. trial in Chicago. Another addressed to Senator Smoot of Utah, is known to have been mailed but has not been traced.

New York apparently was the center of the plot, but no arrests have been made thus far although scores of agents of the department of justice, inspectors and detectives have scoured the city for some promising clues. The haunts of reds and radicals have been carefully watched but the chief hope of success in the chase rests in the possibility of finding on the bombs finger prints which may correspond with those of anarchists and radicals who have been arrested previously.

SOCIETY.

Quite an interesting meeting of the United Daughters of the Confederacy was held with Mrs. T. D. Copeland on Friday afternoon.

Plans were made and the committees appointed for the dinner to be served to the veterans on Memorial Day. After all business matters had been arranged a delightful social hour was enjoyed. A salad course and iced tea was served to the following guests: Mesdames D. M. Mason, J. M. Pitts, T. D. Copeland, M. B. Hipp, L. D. McCrary, J. F. Jacobs, W. H. Shands, W. B. Owens, W. B. Farr, W. J. Bailey, A. B. Henry, E. J. Adair, B. L. King, E. S. F. Giles, J. W. Dillard, Miss Arva Henry and Miss Maude Pearson.

A jolly crowd of young people planned a surprise party at the home of Miss B. Copeland on Friday evening. The scheme was well carried out and in quite a gracious manner the hostess entertained her unexpected guests. Those being present were: Misses Emily Phillips, Melanee Thornley, Mabel Simpson, Annie E. Hatton, Emmie Young, Marie Cosby, Rowena Jones, Maude Ellis, B. Copeland, Nell Hunter, Nannell Blalock and Messrs. Jimmy Dick, John Norton, Marion DuRant, John Blanding, J. Dillard, William Gourdin, Leland Edmunds, Marion Cothran, and Dickson.

The Mothers' Club was entertained on Thursday afternoon by Mrs. W. A. Galloway. This was the annual business meeting and the same officers were re-elected for the coming year. After all business had been arranged the hostess, assisted by Mrs. J. W. Finney and Mrs. W. L. Davidson, served an elegant salad course and iced tea to the following members: Mesdames: John Spratt, A. V. Martin, Lloyd McCrary, R. E. Jones, A. C. Daniel, Crawford Clapp, Parks Adair, J. W. Finney and L. B. Dillard.

PUT Your House in Order

There's a rug that will transform your living room. There's a "comfy" rocker dad will enjoy when he reads the evening paper. There's a dining room suite that will make you proud to have guests come for dinner. There's a new carriage that baby ought to be riding in. There's some piece of furniture you need to make the home complete.

Stanton & Johnson Hardware Paints Oils

MAKE YOUR OWN PAINT
with L & M SEMI-PASTE PAINT and your own Linseed Oil.

They are simply adding Linseed Oil to L & M Semi-Paste Paint

MAKES BEST PAINT—WEARS LONGEST
The L & M Paint is so positively good that it is known as the "Master Paint."
When Linseed Oil is added, then the actual cost of L & M Paint—thereby made ready for use—is about \$1.00 per gallon less than the price of other high-grade paints that are sold all ready for use.
