CLINTON, S. C. MAY 8, 1919

12 PAGES

Better begin fattening up the
old Anniversary mule.

All roads will lead to Clinton
June 7th for the Big Anniversary-
Jubilee and Home-Coming Day.

Let's make this year's celebration
better than last year. We can do
it if everybody will help.

Be a chautauqua booster. Help
make it go—give your support.

CLINTON'S BIG ANNIVERSARY-JUBILEE DAY.

The Chronicle is glad to announce today that that plans have been perfected for the holding of Clinton's Big Anniversary-Jubilee and Home-Coming Day on Saturday, June 7th. The proposition has the endorsement and support of the Commercial Club and the various business interests of the town. This means success for the undertaking—another big red-letter day in the city's history similar to that of last year.

Clinton has been suffering in recent years for the lack of a real, big, attractive, home-coming celebration. Last year the old Anniversary day, a historical event in the minds of thousands, was revived as an appropriate time for such an event and it was a magnificent success. This year it was decided to postpone the date a few weeks in order to work it in as the big feature day of chautauqua week. The object is to invite our friends all over the county to come here to spend the day and to provide an interesting program for their enjoyment while here. Clinton is to ENTERTAIN and we will throw our gates wide open to the thousands who are expected as our guests.

The complete program will soon be announced. There will be a prominent speaker, a military band from one of the camps, a big parade, chautauqua, barbecue and other features.

We must do the job up right and we'll have to go some to beat last year. Such a big day—bringing thousands of people here, will prove beneficial in many ways. Gladly give your support to the various committees. Be a red-hot booster for the big day. Fall in line now—do your bit—everybody.

MOTHER'S DAY:

Next Sunday, the second in May, is Mother's Day and will be celebrated throughout the country. In the lapel of every man's coat on this day must be a flower, an emblem signifying the love he holds in his heart for his best friend—mother.

If it is a red flower, most happily, that mother lives to guide his footsteps with her prayers. But if it be a white flower—mother has gone—gone to beckon him on to eternal life beyond. Wearing the flower is merely a matter of senti-

ment but it is his badge of greatest honor and emblem of surest hope, a symbol of affection for the love that never dies.

When Mother's Day comes around Sunday, whether you be in the crowded city, where the flowers seldom are found, or out in the backwoods where the wild flowers, outrank the cultured rose, wear the white flower, pin it on your coat, put it where the world can see it and know your stand. It will do you good, it will keep the world going forward and everybody will be elevated.

Chair, Ellis on the Parade

Editor The Chronicle:

At a meeting recently held by the business men of Clinton, it was decided to again celebrate our "Anniversary Day" on June 7, and at the same time combine that celebration with a welcome to our returned soldiers as well as the chautauqua, that is to be held in Clinton this year, and on the day of the celebration to have another parade in the morning.

Last year our people responded nobly as regards preparations. We had thousands of people with us, but expect this year to have twice as many. The parade last year was very good, but we want this year, and expect to have, at least four times as many floats as we had before, and each and every-

one of our soldier boys from Clinton and the surrounding territory. We propose to have three distinct sections of floats, one business, one for pleasure cars, and another section, agricultural floats, and it is these latter floats that I wish to call the farmers special attention to. Last year we had some five or six agricultural displays and there is no reason why we should not have at least fifty or seventy-five agricultural floats. In our immediate vicinity is produced some of the finest produce, truck, cattle, etc., and what the writer wishes to impress upon our farmers and beg of them is that they get up some display, let it be either a truck, automobile, or wagon, displaying thereon stuff that is raised on farms around Clinton, not necessarily corn or cotton, but even "guinea pigs". Let us show these thousands of people, who will be with us on June 7, what the soil of the vicinity will produce.

There will be three prizes offered this year for the best display in line. One of the prizes last year that was given for the agricultural display was awarded Mr. T. H. Holland, who certainly deserved it. This year we want Mr. Holland to have more competition. But let's get together and make that competition keen, thereby enhancing the value of our land and helping your town to have a celebration and parade that will not only be the talk of South Carolina, but will be the talk of the South.

I, as chairman of the parade committee, promise you that the merchants will do their part as regards floats. May I count upon you to bring in loads of those "guinea pigs", corn, cotton, wheat, etc.? Let us show the people what we can raise and how we pull together in our undertakings.

Should any information be desired regarding the parade, I beg to say that in the respective sections outside of town the following gentlemen have been selected on our parade committee: Mr. Jack H. Davis, Mr. Hayne B. Workman, Mr. C. W. Stone, Mr. W. M. Myers, and Mr. Jno. M. Copeland, any of which will be glad to furnish same.

Thanking you for the support given me last year as well as for that which I feel quite sure I will get this year in our bigger undertaking, I remain,

Yours respectfully,

GEO. H. ELLIS,

Chairman, Parade Committee.

ONE IS KILLED IN CLEVELAND RIOT

Eleven Policemen Badly Beaten and Many Persons Injured in Free-For-All, Headquarters of Socialists

Wrecked.
Cleveland, O., May 1.—An unidentified man was killed by a detective's bullet, eleven policemen were shot or badly beaten and about one hundred persons were injured, many seriously in general rioting which brought a dramatic finale this afternoon to a socialist May day demonstration here. About thirty persons, seriously injured, are in hospitals tonight while scores of others, including women were trampled by rioters and clubbed by police.

Socialist headquarters was totally wrecked by angry civilians beat un putting and end to the demonstration. The rioting was general in public square East Ninth street, Huron road, Prospect avenue, Superior avenue, Bolivar avenue and other thoroughfares.

Socialist and sympathizers in East Ninth street and at public square were ridden down by mounted policemen and by soldiers in army tanks and trucks.

The one fatality occurred at Central and Woodland avenue, when a mob said to have been composed of socialist or sympathizers rushed detective Woodring and other officers. Woodring, declaring he drew his revolver to save his own life, fired into the alleged leader of the mob, the bullet passing through the man's neck, killing him instantly. First reports said the dead man was an onlooker.

Sixty of the rioters were arrested. A score was found to have weapons on them, the police say.

A mob of several hundred of the rioters threatened police headquarters when C. E. Ruthenberg, socialist leader and former socialist candidate for mayor, was arrested, and for more than an hour the entire downtown section of the city was a seething mass of socialists, police, civilians and soldiers, the later ridding down the rioters in army trucks and tanks.

Dozens of shots were fired in public square, where more than twenty thousand socialists and sympathizers assembled for a May day rally and to protest against the convictions of Eugene V. Debs and Thomas J. Mooney.

This Is Better Than Laxatives

One NR Tablet Each Night For A Week Will Correct Your Constipation and Make Constant Dosing Unnecessary. Try It.

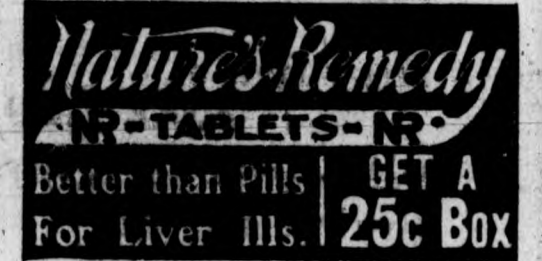

Poor digestion, and assimilation mean a poorly nourished body and low vitality. Poor elimination means clogged bowels, fermentation, putrefaction and the formation of poisonous gases which are absorbed by the blood and carried through the body.

The result is weakness, headaches, dizziness, coated tongue, inactive liver, bilious attacks, loss of energy, nervousness, poor appetite, impoverished blood, sallow complexion, pimples, skin disease, and often times serious illness.

Ordinary laxatives, purges and cathartics—salts, oils, calomel and the like—may relieve for a few hours, but real lasting benefit can only come through use of medicine that tones up and strengthens the digestive as well as the eliminative organs.

Get a 25c box of Nature's Remedy (NR Tablets) and take one tablet each night for a week. Relief will follow the very first dose, but a few days will elapse before you feel and realize the fullest benefit. When you get straightened out and feel just right again you need not take medicine every day—an occasional NR Tablet will then keep your system in good condition and you will always feel your best. Remember, keeping well is easier and cheaper than getting well. Nature's Remedy (NR Tablets) are sold, guaranteed and recommended by your druggist.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F.
