Welcome!

Thrice welcome!

Clinton's gates will be opened  
wide Saturday, Jubilee Day.

Clinton bids you welcome and  
wants everybody to come and feel  
at home

Everything is in readiness for a  
big day and no one will get lone-  
some for want of entertainment.

Getting killed in an automobile  
accident is rather common. A most  
up-to-date method is by falling out  
of an aeroplane.

It is said that dancing makes  
girls feet large. It is also said  
that ice cream makes freckles. Doc-  
tors are of the opinion that hanging  
on the front gate produces rheuma-  
tism. A few more opinions like  
these, and the girls won't have any  
more fun left them.

We can all find strength to carry  
our burden in one day; to be kind,  
and sweet, and true, and firm, just  
till night falls. This is all life  
ever asks of us. To fight one day's  
temptation, do one day's duties;  
check angry and fretful humors;  
hold our tongues in subjection,  
and if we can say nothing kind, say  
nothing at all, for just one day.

### A HEARTY WELCOME.

The good people of Clinton are  
called upon to give everybody a  
hearty hand-shake and a cordial  
welcome who will attend the big  
Jubilee Day, Saturday. The great  
gathering will bring to Clinton  
hundreds of visitors and it will be  
our pleasure to receive them with  
that warm welcome which has be-  
come characteristic of the Clinton  
folks. These guests have been in-  
vited to our city and we must see  
to it that their stay is an enjoy-  
able one. Shake hands with every  
stranger you see and tell him you  
are glad he has come. This is the  
spirit we want in evidence Satur-  
day—a spirit of friendship and  
hospitality. Do your part to help  
make a success of the day.

YOUR VACATION AT HOME  
WITH COMMUNITY CHAU-  
TAUQUA.

Vacation seems to be filling the  
minds of every one at this time  
and quite a few are finding it a  
problem. To get what one wants at  
the price one wants to pay, is not  
always easy. Very few have  
thought of spending vacation at  
home, for ordinarily there is no  
unusual diversion, but those who  
want a vacation in a month are as-  
sured of all the entertainment of  
every kind that they can find in  
any large city. This Community  
Chautauqua is coming and it brings  
a greater array of talent than ever.  
The features are the most original  
appearing anywhere this season, so

that those who want the best of en-  
tertainment offered by the city are  
assured of having it right at home,  
at much less expense. For this vaca-  
tion saves one all of the expense  
and inconvenience of travel, and  
gives the entertainment at a most  
reasonable figure compared with  
what it would cost in the bigger  
cities.

Editor Harris is still on the sick  
list and the "printer devil" is try-  
ing to hold the "bag" in his ab-  
sence. If anyone has any kick to  
make, tell the undertaker about it.

## MEXICAN MATTERS GROWING SERIOUS

**VILLA FORCES HAVE ELECTED  
GENERAL FELIPE ANGELES  
PROVISIONAL PRESIDENT.**

**VILLA IS SECRETARY OF WAR**

**Carranza Government Asks Permis-  
sion to Move Troops Through Texas  
New Mexico and Arizona.**

Washington.—Villa forces have pro-  
claimed General Felipe Angeles pro-  
visional president of Mexico and Villa  
himself, secretary of war.

The move, coming at the climax of  
military operations considered by the  
Carranza government so serious that  
it has asked the United States for  
permission to move troops through  
Texas, New Mexico and Arizona, is  
regarded here as reflecting a situa-  
tion more serious in Mexico than any  
since the triumph of Carranza forces  
over Villa three years ago. Viewed  
in connection with activities of the  
Fellicista forces in southern Mexico  
the situation is regarded as full of  
possibilities.

Angeles' reported first proclamation  
announcing that Americans in Mexico  
would be protected is particularly in-  
teresting to officials here, coming as  
it does on the heels of the refusal of  
the state department to grant Car-  
ranza's request that he be allowed to  
move troops through American terri-  
tory for the purpose of protecting  
Americans in Chihuahua.

Acting Secretary Polk announced  
that he had notified the Mexican  
government he could not grant the re-  
quest made unless assurances could  
be given that Americans would be af-  
forded protection while the troops  
were in transit. That this could not  
be done had been admitted previous-  
ly by the Mexican authorities. Gov-  
ernor Hobby, of Texas, declined to  
authorize the passage of Mexican  
troops through Texas without guar-  
antees of protection to Americans and  
so notified the state department.

**SERGEANT YORK, OF ARGONNE,  
RECEIVES HIS DISCHARGE**

Chattanooga, Tenn.—Sergeant Alvin  
C. York, Tennessee mountaineer and  
hero of the battle of the Argonne, who  
arrived here en route to Fort Ogle-  
thorpe, received his discharge from  
the army and will leave for his home  
at Pall Mall, Pentress county.

Sergeant York arrived at the fort  
and 30 minutes later had received  
his physical examination and dis-  
charge from the service, all the pa-  
pers having been prepared in advance.  
Sergeant York wired Senator Kenneth  
D. McKellar asking him to introduce  
the necessary legislation allowing the  
return of the revolver—number 24048  
—with which he killed the Germans  
at the time of his Argonne exploit.  
The revolver was turned over to the  
army quartermaster at Metz, France.

York was made an honorary mem-  
ber of the Chattanooga Rotary Club  
and elected a delegate to the Salt  
Lake convention by the Rotarians.

**REVISED LEAGUE COVENANT  
ENDORSED BY CLUB WOMEN**

Asheville, N. C.—By unanimous  
vote, at a public meeting at the City  
Auditorium, the mid-biennial council  
of the General Federation of Women's  
Clubs of America decided to adopt the  
revised covenant of the league of na-  
tions. President Wilson was cabled  
of this act and the foreign relations  
committee will be wired. Each woman  
present, over 500, pledged herself to  
write to her state senator telling him  
of the stand taken by the council and  
asking his support in the matter.

Unanimously adopting the 10 plans  
presented by Mrs. J. D. Sherman,  
of Chicago, for the Americanization  
which is planned by the General Fed-  
eration of Women's Clubs, took the  
first definite step toward that end.

**SALVATION ARMY DRIVE  
BELIEVED BEYOND GOAL**

New York.—While complete figures  
are lacking, there is every indication  
that the Salvation army passed the  
\$13,000,000 goal in its home service  
campaign by approximately \$3,000,000.  
Thanking the public for its support,  
Mr. Whitman asserted that "the  
record made by the army in France  
and in earlier years at home guaran-  
tees that its work of the future will be  
well done."

**SEES LITTLE PROSPECT  
OF REDUCTION IN PRICES**

Washington.—Belief that the coun-  
try's street railway systems will have  
to seek relief in directions other than  
a reduction in cost of labor and ma-  
terials was expressed by T. S. Holden,  
of the department of labor.

Mr. Holden declared that building  
materials were the cheapest com-  
modities on the market by reason  
of a less advance in prices of  
building materials than the prices of  
other goods.
