No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

Got Something You Want to Sell?

Most people have a piece of furniture, a farm implement, or something else which they have discarded and which they no longer want.

These things are put in the attic, or stored away in the barn, or left lying about, getting of less and less value each year.

WHY NOT SELL THEM?

Somebody wants those very things which have become of no use to you. Why not try to find that somebody by putting a want advertisement in

ABBEVILLE PARTY

SLAYS NEGRO MAN

Mark Smith Shot to Death on Public Highway. Body Carried Away.

Abbeville, June 7.—Abbeville is considerably excited tonight over the killing this evening about 9 o'clock on the Abbeville-McCormick road, three miles from here, of Mark Smith, negro, who was shot while going to his home on the J. F. Drennan farm with his mother and wife. A party of men in an automobile held up Smith and shot him to death, his mother and sister say, and then took the body in their machine and continued down the road.

Several months ago Smith shot Leslie Cann, deputy sheriff of Abbeville county, while he and other sheriff's deputies were searching Smith's home. Smith ran away but was apprehended in Washington, D. C., some time later and was last winter brought back to Abbeville and at the last term of court was tried for shooting Mr. Cann. He was acquitted.

SENATE DIRECTS AN INVESTIGATION

HOW DID PEACE TREATY COME INTO HANDS OF OUTSIDERS IN NEW YORK?

FULL TEXT IS NOW DEMANDED

Resolutions Were Adopted Just After Dramatic Clash Between Senators Hitchcock and Lodge.

Washington.—Resolutions asking the state department for the text of the treaty with Germany and directing the foreign relations committee to investigate how copies of the unpublished document have reached private hands in New York were adopted by the senate without a roll call.

Action on the two proposals came unexpectedly during a lull in the stormy debate they had aroused, and scarcely a score of senators were in the chamber, when in quick succession, the resolutions were put to a vote. Their passage itself, however, was no surprise, as it generally had been conceded that each would have a majority.

Under the investigation resolution, introduced at the request of the White House by Senator Hitchcock of Nebraska, senior Democrat of the foreign relations committee, it is expected that a far-reaching inquiry will begin within a few days.

Adoption of the Hitchcock resolution came first, just after the debate had reached a dramatic climax in a clash between Mr. Hitchcock and Chairman Lodge, of the foreign relations committee. After this clash a request by Mr. Lodge that the senate substitute an investigation resolution was withdrawn.

REDUCTION IS DEMANDED IN ARMY AND NAVY BILL

Washington.—Reduction of government expenses by a close scrutiny of all appropriation requests was demanded by Republican leaders in the house. Republican members of the military committee meeting with their party's legislative steering committee, headed by Floor Leader Mondell, were told to make all efforts to curtail army expenses without robbing any activity of necessary funds, and similar request was made of other appropriating committees at the informal conferences.

Chairman Kahn told the party leaders that the army bill authorizing \$1,100,000,000 when passed the house in the last Congress would be reduced by nearly \$400,000,000 and later it was learned that the naval committee expected to cut the naval appropriation bill to about \$600,000,000, effecting a saving of more than \$100,000,000 over the amount carried when the measure was in the last Congress.

APRIL RAILROAD DEFICIT IS APPROXIMATELY \$58,000,000

Washington.—Director General Hines estimated that the railroad administration incurred a deficit of approximately \$58,000,000 in April, making a total deficit of \$250,000,000 for the first four months of the year. The director general reiterated, however, his previously expressed judgment that present economic conditions were too much unsettled to afford a safe basis for decision as to the necessity for increased rates to offset the difference between income and operating costs. For the present there will be no raise, he added, the administration confining itself to practicing every possible economy.

BOLSHEVIK AGITATOR HAS BEEN EXECUTED AT MUNICH

Munich, Bavaria.—Levine Nissen, the bolshevik agitator who was one of the leaders of the Munich communist soviet regime, was executed at Stadelheim, outside the capital. He was convicted and the Bavarian cabinet refused to commute his sentence, maintaining that he was the cause of the civil war in Bavaria and deserved no mercy.

CARLTON SAYS STRIKERS WILL NOT BE TAKEN BACK

Atlanta, Ga.—Announcement by President Newcomb Carlton of the Western Union Telegraph and Cable Company, that Morse and multiplex operators in the southeast who went on strike would not be reemployed and a statement from S. J. Konenkamp, president of the Commercial Telegraphers' Union of America, that he would issue a call for a nation-wide strike, were the latest developments.

DANIELS MAY BE OFFERED UNIVERSITY PRESIDENCY

Washington.—North Carolinians here think there is a serious movement on in North Carolina to make Secretary Daniels president of the state university. The name of Mr. Daniels was not suggested until within the last few days, after he made a short visit to his old home at Goldsboro, upon his return from abroad.

It is believed here that Mr. Daniels would accept the position if it is offered by the board of trustees.
