

Woman Suffrage Passes Senate

Amendment as Proposed Now Goes to the State Legislatures for Ratification. Result as to Final Ratification is in Doubt. Senate Actually Stood 66 to 20.

Washington, June 4.—Action by congress on equal suffrage—subject of a fight or forty years' duration—ended late today in adoption by the senate by a vote of 66 to 25 of the historic Susan B. Anthony constitutional amendment resolution.

The proposed amendment, adopted by the house by a vote of 304 to 89 May 21 as the first act of the new congress, now goes to the States, ratification by legislatures of three-fourths of which is required for its incorporation in the federal constitution.

The roll call today showed two votes more than the necessary two-thirds for the resolution, which was drafted by Susan B. Anthony in 1875 and introduced by Senator Sargent of California in 1878. Counting paired and absent members, the senate actually stood 66 to 20 for the measure. Loud applause, unchecked by the presiding officer, swept the senate chamber when the final vote was announced following two days debate and many jubilation meetings were in progress tonight at headquarters of various women's organizations, which have been active in the support of the measure.

Immediately after the senate's action, the resolution was taken to Speaker Gillett's office and signed. It was rushed back to the senate for its presiding officer's signature, but arrived after the senate had adjourned and will be approved tomorrow. President Wilson's signature, it was stated, is not necessary, although the resolution will be sent to the White House as usual and may be signed by the executive. It will be certified to the States by the state department.

Upon the senate's roll call today, the vote was as follows:

For adoption:
Republicans: Borah, Brandegee, Dill, Edge, Elkins, Fall, Fernald, France, Frelinghuysen, Grenna, Hale, Harding, Johnson of California; Jones of Washington; Kellogg, Kenyon, Keys, LaFollette, Lenroot, McCormick, McCumber, McNary, Nelson, New, Newberry, Norris, Page, Phillips, Poin-dexter, Sherman, Smoot, Spencer, Sterling, Sutherland, Warren and Watson—Total 36.

WESTERN UNION SERVES NOTICE

Will Not Reemploy Striking Operators. Warned in Advance.

Atlanta, June 4.—Local employees of the Western Union, who went on strike today in support of telephone operators who walked out here Monday, were informed today that "the company will not again employ anyone who engages in the strike even if it is necessary to entirely abandon service in Atlanta."

The notice, signed by S. L. Burtis, superintendent of traffic, followed a telegram from Newcomb B. Carlton, president, saying that the Western Union had "no alternative but to cancel their employment and with it all benefits that have accrued to date."

Both notices, it was said, were posted shortly before 11 a. m., the hour set for the strike.

The telephone employees went out demanding reinstatement of about a dozen union members adjudged to have been discharged for union activities. The company denied these charges and Postmaster General Burleson through the company gave the telephone workers until 6 o'clock tonight to return, asking names of those who did not come back. Shortly after that hour it was said at the telephone office that about eight had returned. Meanwhile by using clerical

Terms of Treaty Remain Secret

Paris, June 7.—The American delegation to the peace conference apparently is firm in its decision not to authorize the publication of the German peace treaty until it is signed and not even to communicate the official text in its present form to the United States senate.

A member of the American delegation, in discussing the complaint made in the senate concerning publication of the treaty in Germany and charges that copies were in the hands of New York bankers, said the delegation had not violated the pledge made to other powers not to give out the treaty until it is completed and will not do so. He added that so far as he knew Germany had not been requested to keep the treaty secret as such a request to an opponent would not be in conformity with accepted diplomatic practices.

The delegate, in reply to an inquiry why the covenant of the league of nations had been published, said that while the covenant was part of the treaty it does not actually deal with the terms of peace and consequently is essentially of a different character.

Miss Maude Pearson, Miss Arva Henry, and Hugh Simpson will go to Spartanburg Tuesday to attend the Grand Chapter meeting of O.

workers and others the company maintains service which it described as "about normal."

Union officials asserted late today that 425 workers quit the Western Union today but the latest estimate from the company was 140, including 28 messengers.

J. J. Montgomery, president of the Association of Western Union Employees, issued a signed statement late today deprecating the strike and saying association members, who he asserted, comprise a "substantial majority of the Morse and multiplex operators here and throughout the system," would stick by the company. Mass meetings to which all members of trades unions here were invited were held tonight to indorse the wire strikes, which union leaders predicted might become nationwide.

The Western Union announced today that with outside and other help it was continuing normal service. The Postal Telegraph Company is not affected.

Now the time; here the place for worthy, winsome, wearful, wash waists

—With the advent of the Summer Season comes the insistent demand for the sensible and serviceable and slightly wash waists. They're "good" at all times, but particularly so for Summertime wear, when a clean, crisp, cool, comfortable Blouse makes a bright Summer's day seem all the brighter.

—Sensing as we did this more active demand for the practical wash waists, we have in accordance with our policy of "preparedness" made ample provision to meet it, with stocks that are wide in their scope and brimful of the distinctive, the unusual but still the correct and wanted Styled.

—These new Blouses have a three-fold appeal: good quality, good style; moderate price. Many of the prices are so extremely modest that you'll wonder how they can be sold for so little.

NEW WIRTHMOR WAISTS ARRIVE

—As to the waists themselves: they have a surpassing excellence hardly expected in Waists so lowly priced: as the Wirthmor Plan under which they are made and sold to us and in this city only this is your assurance always of STYLE CORRECTNESS; QUALITY FABRICS; DEPENDABLE WORKMANSHIP; PERFECT-FITTING and COMPLETE SATISFACTION in every waists bearing the Wirthmor label.

Wirthmor Waists are sold at \$1.50 the nation over, and they are nationally recognized as a standard at the price. There can be just one Wirthmor store in every city.

Also a new arrival of new Welworth waists—\$2.50. Crepe de Chine—\$4.50. Georgette—\$6.50. Big line fresh arrivals.

Military Training

Clemson College is a member of the Senior Division of the Reserve Officers' Training Corps. All students are required to wear uniform and are under military discipline at all times.

All Freshmen, Sophomores and Short Course students are required to take the Basic Course of three hours military instruction each week. Juniors and Seniors may enter the advanced course if physically and otherwise qualified, and if admitted, are required to take additional military instruction.

The War Department has established R. O. T. C. units in the Infantry, Coast Artillery and Signal Corps branches of the service. Only a limited number of students will be admitted to the Coast Artillery and Signal Corps Units. Modern equipment is supplied by the U. S. Government.

All students in the R. O. T. C. receive financial assistance from the U. S. Government. Juniors and Seniors at present are paid \$12.00 per month, which may be applied to the living expense. All R. O. T. C. students are given an allowance on uniforms by the War Department. The amount has not been fixed for the coming session, but it is expected that it will be sufficient to cover at least half the cost of the service uniforms.

No obligation rests upon the graduate of the Advanced Course.

Membership in the Advanced Course amounts practically to a two-year scholarship furnished by the Federal Government. A student who holds a regular scholarship and takes the Advanced Course receives enough money to pay for all expenses except books.
