Stone's Butter Made Cake

After you have eaten a piece of this cake, you will find yourself with a pleasant longing for more; your nerves of taste will be telling you, that you have just eaten something that was not only good for you, but which you honestly enjoyed.

You will discover why so many people buy STONE'S CAKES and will have no other. First, you will get the flavor - the distinctive STONE'S flavor, with a lurking sweetness, and a genuine goodness that spells quality. Then you will get the taste—a rich real taste that gladdens the appetite and satisfies your hunger for sweets. Then you will notice the texture - light and fluffy, but with a body that proves that it has been properly and carefully prepared.

We are the exclusive agents for this popular cake and receive it fresh every Wednesday and Friday. Place it on your market list for these days. There are six varieties—all wrapped in sanitary waxed paper—average weight 7 ounces - price 13 cents each or two for 25 cents.
