BANKERS

"Clinton's Oldest Bank"

Just Call Our Phone No 99 or 100 When You Want Groceries Quick

A polite, intelligent clerk will take your order and see that it's filled properly.

And we will deliver it to your door in a few minutes. That's just part of the service we are glad to give you along with your groceries.

We want to save your time and make it easy and pleasant as well as profitable for you to trade with us.

Take the simple matter of baking powder for example. You don't use much of it in the course of a year, but if it isn't good it can spoil a great deal of valuable food.

We've studied baking powder and have come to the conclusion that one of the best we can offer you is RYZON.

It's pure, it is extremely high in leavening power and it is always uniformly excellent. The price is right, too, 40 cents per pound tin.

And remember, like everything else you buy at our store, your money back if you are not entirely pleased—not just satisfied—pleased.
