**\$12,000,000 IS GOAL SOUGHT**

**This Sum Will Be Laid Aside From  
Baptist 75 Million Campaign For  
Work Among Negroes, Foreign-  
ers and Other Projects.**

While \$20,000,000 of the \$75,000,000  
to be raised in cash and five-year  
pledges by the Southern Baptists be-  
tween now and December 7th will go  
to foreign missions, \$12,000,000 will  
be devoted to missions at home, it has  
been officially announced. Home mis-  
sions is regarded by the Baptists as  
quite as essential as foreign missions,  
the larger sum being set aside for the  
latter cause by reason of the larger  
field to be covered—practically the  
entire world.

**DR. B. D. GRAY,**  
Of Atlanta, Ga., Secretary of Home  
Missions for the Southern Baptist  
Convention.

"Twelve million dollars is a large  
figure when compared with what we  
have been doing heretofore," Dr. B. D.  
Gray, corresponding secretary of the  
Home Mission Board at Atlanta, de-  
clares, "but it is very reasonable in  
comparison with our ability and small  
in comparison with the needs of the  
Home Mission fields."

Setting forth the particular obli-  
gation which confronts America since  
the war has transferred the center of  
education from Europe to this coun-  
try, Dr. Gray says: "This brings a  
new day of opportunity and responsi-  
bility to our people. Our schools and  
colleges must be strengthened and en-  
dowed. They must be made thorough-  
ly christian in fact as well as in the-  
ory. In this way we are to counteract  
the vicious ideals of Germany and her  
allies in the world war. Our youth  
must be trained on proper lines as to  
religion and ethics. This can be done  
best in our denominational schools."

Some of the educational institutions  
fostered by the Home Mission Board  
are the forty mountain schools, serv-  
ing 3,000,000 residents of the South  
living in mountainous territory where  
public high schools are lacking. Fully  
\$10,000,000 could be used to advantage  
in strengthening the equipment and  
teaching force of these schools, it is  
estimated, so great is the need.

Another demand of the home field  
is the 4,000 church organizations in  
the South which need assistance in  
the erection of suitable houses of wor-  
ship, while more pressing still is the  
problem created by the presence in  
the South of 10,000,000 negroes. Speak-  
ing of the negro problem, Dr. Gray  
says: "They are of more vital con-  
cern to us than any hundred millions  
of people anywhere else in the world.  
Socially, politically, economically and  
religiously they constitute our great-  
est task and we neglect them at our  
own peril as well as their infinite loss.  
Racial relations are tense and the sit-  
uation calls upon Southern Baptists  
for a worthy program in behalf of the  
religious uplift of our brothers in  
black. We must lead them in sane  
missionary and evangelistic work and  
likewise in the development of their  
religious life on sane and helpful lines.  
We need a large company of the best,  
wisest and strongest negro evangelists  
and teachers who shall help us to lift  
up their race and make them worthy  
and worth while as Christian citizens."

That work among the foreigners in  
the homeland offers the best and most  
economical opportunity for missionary  
labors among them anywhere, is the  
declaration of the Home Mission lead-  
ers. These foreigners are in the  
fields, mines and factories and are a  
vital part of our civilization. "This  
work among the foreigners not only  
gives them the christian religion, but  
makes them more contented and bet-  
ter American citizens, it is pointed  
out.

Great hopes for the future of the  
churches in the South are held out in  
the enlarged program of evangelism  
and enlistment which the Baptist 75  
Million Campaign will make possible.  
The Home Board hopes to win from  
\$60,000 to \$50,000 people in the South  
who are not christians during the pe-  
riod of the campaign.

Now that the larger liberties enjoyed  
by peoples everywhere, following the  
close of the world war, have revealed  
as never before the need and the op-  
portunity for the spread of the gospel  
to all the ends of the earth, the Bap-  
tists of the South have launched their  
program for \$75,000,000 to be raised  
in cash and five-year subscriptions be-  
tween now and December 7th, in the  
hope of making a worthy beginning  
toward supplying this world need.

paign, the actual drive for the funds

**DR. J. F. LOVE,**  
Of Richmond, Va., Secretary of For-  
eign Missions for the Southern Bap-  
tist Convention.

to be made during Victory Week, No-  
vember 30-December 7, \$43,000,000 will  
be devoted to missions, and \$20,000,000  
of this sum will be devoted to enlarg-  
ing the work on the ten important  
foreign fields occupied already and to  
opening up new fields where countless  
millions of peoples have not yet heard  
the story of Jesus Christ.

Asia, Africa, Latin America (in-  
cluding Mexico as well as South America),  
and Europe are the four continents in  
which the missionaries of Southern  
Baptists are operating today, but in all  
of the ten countries of these conti-  
nents, Southern Baptists have only 316  
missionaries, 787 native workers, 192  
of whom are ordained, 12 foreign phy-  
sicians, 6 foreign trained nurses, 21 na-  
tive physicians and 23 native nurses.

"Our missionaries already on the  
field have wrought wonderfully for the  
Master, considering the difficulties  
they have had to confront," Dr. J. F.  
Love, secretary of foreign missions,  
declares, "but we at home have not  
supported them as we ought with help-  
ers of all kinds and with schools, hos-  
pitals and other agencies to enable  
them to do a larger work in every way.  
The smallness of the work we have  
done already can be realized when we  
look at the vast number of people who  
have not been reached in the foreign  
fields we are occupying today. China,  
for instance, has a population four  
times that of the United States, or one-  
fourth the population of the entire  
world, and our force there consists of  
only 65 men, 62 married women, 49  
unmarried women, 54 ordained natives  
and 420 unordained native helpers.  
Japan, which has half as many people  
as the United States, is being served  
by 9 men, 8 married women, 3 unmar-  
ried women, 11 ordained natives and 6  
unordained native helpers. In Italy  
there are a third as many people as  
there are in the United States, yet we  
have there only 2 men, 2 married wom-  
en, 35 ordained natives, and 3 unordain-  
ed native helpers. Mexico has 15,000,000  
people, and we have in that country  
and on the border a missionary force  
consisting of 11 men, 11 married wom-  
en, 3 unmarried women, 24 ordained  
natives and 15 unordained native help-  
ers. Argentina has a population of  
8,000,000 and our missionary force  
there consists of 7 men, 7 married  
women, 14 ordained natives, and 7 un-  
ordained native helpers. In Africa,  
we have entered only one state, that  
of Nigeria, but this state has a popu-  
lation of 20,000,000, and to serve those  
people we have only 7 men mission-  
aries, 6 married women, 3 unmarried  
women, 3 ordained natives and 52 un-  
ordained native helpers. Brazil has a  
territory larger than all the United  
States and a population of 50,000,000.  
Serving those people we have a force  
of 54 men, 33 married women, 2 un-  
married women, 69 ordained natives,  
and 52 unordained native helpers. Our  
work in Chile, where there are 3,000,000  
people, is only two years old, but  
we have 12 churches, and 15 out-sta-  
tions in which last year there were  
122 baptisms. We need at least  
200 more missionaries now and from  
the proceeds of this campaign we hope  
to employ them and then equip them  
and those on the field already for do-  
ing the largest work for the Master."

**Six Years Ago, Thinking She Might Die, Says Texas Lady, But Now She Is a Well, Strong Woman and Praises Cardui For Her Recovery.**

Royse City, Tex.—Mrs. Mary Kilman, of this place, says: "After the birth of my little girl...my side com-  
menced to hurt me. I had to go back to bed. We called the doctor. He treated me...but I got no better. I got worse and worse until the misery was unbearable...I was in bed for three months and suffered such agony that I was just drawn up in a knot...  
I told my husband if he would get me a bottle of Cardui I would try it... I commenced taking it, however, that evening I called my family about me... for I knew I could not last many days unless I had a change for

the better. That was six years ago and I am still here and am a well, strong woman, and I owe my life to Cardui. I had only taken half the bottle when I began to feel better. The misery in my side got less... I continued right on taking the Cardui until I had taken three bottles and I did not need any more for I was well and never felt better in my life... I have never had any trouble from that day to this."

Do you suffer from headache, back-ache, pains in sides, or other discom-  
forts, each month? Or do you feel weak, nervous and fagged-out? If so, give Cardui, the woman's tonic, a trial.
