

THE HOT HUSTLER RACKET

OUR STOCK is complete in all lines of Merchandise. We went in the market and bought our Cloth, Shoes, Clothing, Underwear and Hosiery during the months of April and May—since then these goods have advanced from 25 to 50 per cent. Here are two items that we mention that are facts—ask the manufacturers—shoes, that cost \$5.00 at the factory in April, the same shoe is selling today at the factory for \$6.75. Best Bleaching that sold in May at the mills for 22 1-2c is worth today at the mill 29 1-2c. We are selling the same best Bleaching for 25c yard. Our entire stock was bought when prices were much lower than today's market. We are not speculators—we offer you these goods on the same basis as they were bought.
