

I was there to make a sketch of her. Luncheon was just over, and she was talking to a little knot of women. The first words I heard, as I slid quietly into a nearby seat, were "National Biscuit." Calling me my own tasty biscuit, she called me "National Biscuit." I liked her, and I called her "National Biscuit." Between the dark and the light, she was quoting, "There's always a bit of pause when the world seems waiting, listening for the children, since they wait for their habits. First I had to get used to toddle, I was given that name in my own mind. No one else called me that. I was called 'National Biscuit' by the children. You see, even when you are much like a child, they are most tractable after they have something to eat. National Biscuits always begin our children's hour with its tasty feast.

Always ready—always fresh—always welcome. An appetizer at the beginning of the meal, making the best of the day. Nothing can take the place of Uneda Biscuit on the family table.

THREE PROPOSALS FOR SETTLEMENT

PRESENT DEMANDS OF MINERS DECLARED IMPOSSIBLE BY SECRETARY WILSON.

PEOPLE ARE NOT SHYLOCKS

When Making Changes Existing Contracts It Must Be Remembered the People Will Have to Pay.

Washington.—Demands of coal miners for a 30-hour week and a 60 per cent increase in wages, and an unyielding position by the operators were declared "impossible" by Secretary Wilson in opening the conference called to bring peace to the bituminous fields of the nation. To obtain this peace the secretary proposed three plans of procedure.

Declaring that the Washington wage agreement still is legally in force, Mr. Wilson told the operators and miners that the people of the United States were not "shylocks" and do not want to exact "the technical provisions of a bond when the conditions under which the bond was made have changed." He added that "if any great change is made in the contracts the people of the United States are the ones who will have to pay."

The three proposals expected to aid the two factions in arranging the new wage agreement were set forth by the labor secretary as follows: First, negotiations through joint wage scale committees representing all districts; second, negotiation through concurrent sessions of committees, from various districts, and, third, negotiation first of an agreement in the central competitive fields and then of agreements for other fields with that of the central district as a basis.

MEMBERS OF LEGION ARE BEING SWORN AS SPECIAL DEPUTIES

Spokane, Wash.—Members of the American legion here were being sworn in as special policemen to meet what was declared to be an invasion of one thousand to two thousand members of the industrial workers of the world due to arrive here from Montana and other parts of the northwest.

TO FILE MURDER CHARGES AGAINST CENTRALIA REDS.

Centralia, Wash.—Arrangements were made to file murder charges against 11 men, 10 of whom have been arrested following the attack of alleged members of the Industrial Workers of the World on the armistice day parade which resulted in the deaths of four former service men.

ADOPTION OR REJECTION OF CLOTURE IS STILL DOUBTFUL.

Washington.—Success for the movement to shut down the peace treaty debate by a cloture seemed likely to remain in doubt until the clerks call the roll call on the question in the senate.

Thirty republicans signed the petition for cloture, and party leaders declared that more would vote for it. There was no doubt, leaders asserted, that the republican side of the chamber would contribute more than its share of the two-thirds majority necessary to invoke the cloture rule.

VERY PROBABLE INCREASE IN CHARGES FOR ADVERTISING.

New Orleans.—A resolution favoring an increase of 25 per cent in the rates on both foreign and local advertising in southern newspapers was adopted here by the advertising committee of the Southern Newspaper Publishers' association which met here to plan a \$10,000 campaign for exploiting the south. The increase in advertising rates was favored because of the shortage of white paper.

THIRTY THOUSAND FINNS TO FIGHT BOLSHEVIKS.

Helsingfors.—The Baltic states conference at Dorpat has been advised that Finland has decided to aid General Yudenitch with 30,000 volunteers in a new attempt to take Petrograd within the next few weeks. A delegate to the conference intimated to the correspondent that such great pressure had been suddenly brought upon the conferees that it would be impossible to attempt to negotiate a peace with the bolsheviks.

LOCAL DISTILLERS SELLING INTOXICANTS AT LOUISVILLE

Louisville, Ky.—Two local distillers sold whiskey openly in Louisville at \$75 a case, regardless of the war-time prohibition law. Hundreds of orders, filed before July 1, when the war-time law went into effect, it was said, were being filled by these distillers, which resumed sales following the granting of an injunction to them by Federal Judge Evans, restraining the government from interfering with the sale.

TRANSPORTATION FOR UNDESIRABLES

QUEER PROPOSITION MADE BY BOLSHEVIST "AMBASSADOR" TO GENERAL PALMER.

CRUEL TREATMENT CHARGED

Thousands of Applications Are Said to Have Been Made by Those who Are Anxious to go Back Home.

New York.—Ludwig C. A. Martins, self-styled "Ambassador of the Russian soviet government to the United States," has offered to provide transportation from the United States to Russia for all Russian citizens who desire to leave America, or whose presence in the United States is undesirable to the federal government. This offer was made in a letter written by Martins to Secretary of State Lansing. In his letter, Martins protests against the "unwarranted and cruel treatment" to which many Russian citizens in the United States are subjected by "federal and state officers, as well as by mobs acting without authority." He proposes that the soviet government be permitted to return these citizens to soviet Russia, and declares that he has received thousands of applications from such citizens who are anxious to return to their homes.

RACIAL CLAUSE IS CUT OUT OF ESCH RAILROAD BILL.

Washington.—The house voted 142 to 12 against injecting the racial question in the Esch railroad bill. An amendment had been offered by Representative Madden, (republican, Illinois, providing that no discrimination should be made in interstate passenger transportation against any native born citizen. Southern and northern congressmen spoke in opposition.

NEW WAGE SCALE SUBMITTED TO THE FOUR BROTHERHOODS

Washington.—Director General Hines submitted to representatives of the four railway brotherhoods an increased wage scale, amounting approximately to three million dollars a month.

The proposal, laid before representatives of the brotherhoods at the closing session of the wage conference, was taken under advisement.

CENTRALIA MURDERS WERE PLANNED WEEKS AHEAD.

Centralia, Wash.—Industrial Workers of the World planned the Centralia shooting three weeks before Armistice day, according to an alleged confession made by L. Roberts, confessed I. W. W., who surrendered himself to the officers following the shooting, in which bullets from the guns of the radicals killed four former American soldiers marching in the holiday parade.

MCCORMICK IS FAVORED AS GLASS' SUCCESSOR

Washington.—Secretary Glass will accept the appointment to the senate by Governor Davis. The best guess on Mr. Glass' successor is E. C. Leffingwell, now one of the assistant secretaries of the treasury, Bernard M. Baruch or Vance McCormick.

CONSULAR AGENT WHO WAS KIDNAPPED IS ARRESTED

Mexico City.—William O. Jenkins, American consular agent at Puebla, was placed under arrest and held under surveillance in his home following charges by officials of Puebla that Jenkins was not abducted by Federico Cordova, the bandit leader, but was in connivance with him, according to information received here.

GLASS APPOINTED SENATOR AS SUCCESSOR TO MARTIN

Richmond, Va.—Appointment of Secretary Glass to the United States senate to succeed the late Thomas S. Martin, and the acceptance of Mr. Glass, were announced by Leroy Hodges, aide to Governor Davis. Senator Martin had just been re-elected and his term does not expire until 1925. The election of senators by popular vote, however, leaves the governor full power to fill the vacancy until the electorate can do so.

INADEQUATE LAWS IS CAUSE OF GROWTH OF RADICALISM

Washington.—The growth of radicalism throughout the country was to be attributed to inadequacy of federal laws against preaching violent overthrow of the government, Attorney General Palmer declared in replying to the senate's recent inquiry. Mr. Palmer disclosed that the department has more than 60,000 persons under surveillance as radicals with whom it is unable to cope because of weakness of present statutes.
