

LADIES RECEIVE GIFT ON PIPE ORGAN FUND

(Contribute)

We take pleasure in making this announcement which comes from Mrs. Clayte Bailey that she has received a check from Miss May Ferguson of Atlanta for One Hundred dollars as a donation to the Ladies Aid Society of the Methodist church to be used on the pipe organ fund for which this Society is diligently working.

"Miss May" as we all knew her has been a faithful member of this her home Church for many years and is an honorary member of the Ladies Aid Society and this nice gift is a token of her loyalty to us which we one and all duly appreciate and only wish we had more friends like her.

Making Them Up.

"Now boys," said the schoolmaster brightly, "I want you to write an essay, of about five hundred words, on some topic you know a lot about. Shall we say?"—he thought a minute—"your fathers' bicycles? Most of them have one."

The boys licked their pencils and started. The master noticed that little Frank had finished much sooner than the rest, so he went across to see.

"My father has a bicycle," he read. "He took it out the other day and went for a ride. He caught his wheel in the car rails and had a spill. His bicycle was smashed. I think this is about fifty words. My father used the other four hundred and fifty as he carried the bicycle home."

P. C. BEATS WOFFORD.

One of the big pleasures of the past week was the P. C. victory over Wofford last Friday afternoon on the college campus, the final count being 14 to 6 in favor of the Blue Stocking boys.

Through the efforts of the Commercial Club, the college was given the largest attendance of the season, most of the business houses of the city closing for the battle. A committee from the club composed of L. B. Dillard, W. C. Bailey and A. W. Brice circulated a closing petition for the game and it was agreed to and signed by the following concerns: Sumerel-Stone Realty Company, Kellers Drug Store, Chronicle Pub. Co., M. S. Bailey & Sons, M. S. Bailey & Son, Bankers, Youngs Pharmacy, J. I. Copeland & Bros., Adair Furniture Company, E. W. Ferguson, Bell-Workman Co., J. B. Frontis, Commercial Bank, Candy Kitchen, P. S. ORDERS FOR ARMS

PLACED BY MEXICO

Washington, Nov. 14.—Disclosures of large orders of arms and ammunition placed by Mexico in Europe were followed today by revelations tending to show that the "reds" underground line" from Soviet Russia to the United States runs by way of Mexico.

It became known that the immigration service and the department of justice both are concerned at the influx of Russian radicals and other aliens of red tendencies over the Mexican border. Furthermore, government agents have traced much red propaganda over the Mexican line.

A letter written October 23, by Ramon P. de Negri, Mexican consul general in New York, to Flavia Borquex, a Mexican senator, indorsing the principle of "nationalization" has come into the hands of the government and already has been called to the attention of the state department by at least two senators as showing de Negri's association with radical socialists in the United States.

In the opinion of officials here the publication of de Negri's letter may lead to an embarrassing situation. It is known that the senators who called the attention of Secretary Lansing to it recommended cancellation of the consul general's exequatur.

Government investigators have reported that radicals seemed to have been first attracted to Mexico by certain so-called "ultra modern" provi-

sions of the new constitution. De Negri in his letter writes that "only Russia by nationalizing lands has gone further than we have."
