MOTHER OF THANKSGIVING DAY

How Sarah Josepha Hale Succeeded in Establishing the National Holiday at a Uniform Time

MRS. SARAH JOSEPHA HALE, "THE MOTHER OF THANKSGIVING"

**BETTER THAN
WHISKEY FOR
COLDS AND FLU**

New Elixir, Called Aspirinal, Medicated With Latest Scientific Remedies, Used and Endorsed by European and American Army Surgeons to Cut Short a Cold and Prevent Complications.

Every Druggist in U. S. Instructed to Refund Price While You Wait at Counter If Relief Does Not Come Within Two Minutes.

Delightful Taste, Immediate Relief, Quick Warm-Up.

The sensation of the year in the drug trade is Aspirinal, the two-minute cold and cough reliever, authoritatively guaranteed by the laboratories; tested, approved and most enthusiastically endorsed by the highest authorities, and proclaimed by the common people as ten times as quick and effective as whiskey, rock and rye, or any other cold and cough remedy they have ever tried.

All drug stores are now supplied with the wonderful new elixir, so all you have to do to get rid of that cold is to step into the nearest drug store, hand the clerk half a dollar for a bottle of Aspirinal and tell him to serve you two teaspoonfuls with four teaspoonfuls of water in a glass. With your watch in your hand, take the drink at one swallow and call for your money back in two minutes if you cannot feel your cold fading away like a dream within the time limit. Don't be bashful, for all druggists invite you and expect you to try it. Everybody's doing it.

When your cold or cough is relieved, take the remainder of the bottle home to your wife and babies, for Aspirinal is by far the safest and most effective, the easiest to take and the most agreeable cold and cough remedy for infants and children.—Adv.)

**"ONLY ONE THING
BREAKS MY COLD!"**

"That's Dr. King's New Discovery for fifty years a cold-breaker"

NOTHING but sustained quality and unflinching effectiveness can arouse such enthusiasm. Nothing but sure relief from stubborn old colds and onrushing new ones, gripe, throat-tearing coughs, and croup could have made Dr. King's New Discovery the nationally popular and standard remedy it is today.

Fifty years old and always reliable. Good for the whole family. A bottle in the medicine cabinet means a short-lived cold or cough. 60c. and \$1.20. All druggists. Give it a trial.

Regular Bowels Is Health

Bowels that move spasmodically—free one day and stubborn the next—should be healthfully regulated by Dr. King's New Life Pills. In this way you keep the impurities of waste matter from circulating through the system by cleansing the bowels thoroughly and promoting the proper flow of bile.

Mild, comfortable, yet always reliable, Dr. King's New Life Pills work with precision without the constipation results of violent purgatives. 25c. as usual at all druggists.

rank even Christmas as a festival of joy, feasting and family reunion.

On becoming governor of New York John Jay endeavored to establish it in that state as an annual institution, but his political enemies branded his proclamation as an attempt to stir up religious prejudice in his favor and he made no further attempts.

Governor Clinton, however, renewed the effort and was successful, but New York's Thanksgiving did not coincide with New England's, which, until the middle of the last century, occurred a week later than the Empire state's. Searching old newspaper files we learn how Thanksgiving was celebrated in these times. I found the other day a statement that in 1858 10,000 people after eating one Thanksgiving dinner in New York city, had gone to their early homes in New England to enjoy another, a week later.

Thanksgiving soon became an annual, though local, institution in most of the western states, which had been

Grace for Thanksgiving

FOR laughter and the love of friends,
We thank Thee,
For sorrows that Thy wisdom sends,
We thank Thee,
For Thy most kindly graciousness,
For peace, dear peace, for plenteousness,
For all these blessings we possess,
We thank Thee, Lord.

settled largely by New Yorkers and New Englanders, but the South was tardy in adopting the idea.

Although Governor Johnson of Virginia designated Thanksgiving day in 1853, his successor, Governor Wise, when requested to do so, publicly declined on the ground that he had no authority to interfere in the religious matters of the people.

Meanwhile, in Philadelphia, Mrs. Hale was wielding her facile pen in a zealous crusade to have Thanksgiving day established as a national festival and observed upon a uniform date throughout the country. For 20 years she persisted in this agitation, not only through the columns of the two magazines which she edited, but in letters which she wrote to all the presidents and governors.

By agreeing to establish the precedent of proclaiming the holiday on the last Thursday of each November, Lincoln at last crowned her tireless efforts with success, and no president has failed to emulate his example.

So Sarah Josepha Hale may be rightfully termed the mother of our annual nation-wide festival of Thanksgiving.—John Elfreth Watkins in Utica Saturday Globe.
