### De Rivera Losing Grip On Power

Franco-Spanish Frontier, Feb. 16.—Word that the five-year distatorship of Gen. Primo de Rivera soon might end was received here today from both court quarters of Madrid and persons close to the premier.

Primo de Rivera and his government showed strength in repressing the recent armed revolt in sections of the Spanish army. Signs indicate that the premier may bow to a growing peaceful demand that Spain be restored to a constitutional government.

The aivices received today said that the exact date of the change was not known as yet. It is believed to be imminent. Former Premier Jose Sanchez Guerra, who surrendered to the authorities in Valencia when the revolt miscarried and assumed all blame for its instigation, no longer is kept in strict seclusion on his prison warship Canalejas. The fact that he is permitted to receive visitors is taken as additional indication that the opposition to the dictator is at least being given a hearing.

The premier has ruled with a strong hand since he took the power by coup d'etat in 1923. Success in the Rifian campaign and admitted maintenance of order at home strengthened his hand for some time. He was represented as enjoying the full confidence of King Alfonso. More recently, however, there have been several attempts to unseat him, news of which was not kept from the world despite the extreme censorship imposed.

Mrs. Gertrude Frupp of Greenville, visited Mr. and Mrs. B. R. Fuller on Sunday.

Miss Gladys Stilwell spent the week-end with relatives in Newberry.

Miss Selina Cozby is expected to arrive home today after having been a patient in the Baker sanatorium in Charleston for some time.

Tom Leake of Paris, Texas, is spending some time with Mr. and Mrs. C. C. Bailey and other relatives.

Misses Janet Leake and Jeanette Crawford of Winthrop college are expected home today to spend several days.

Mrs. O. J. Wilson of Newberry, returned home last Friday after spending the week with Mrs. Corrie L. Montjoy.

Mrs. W. W. Lewis and children have returned to their home in Whitmire after spending some time with her parents, Mr. and Mrs. R. H. Hatton.

### Smith Comes Back To Waterloo Bank

A business deal was consummated at Waterloo a few days ago by which J. C. Smith becomes president of the Bank of Waterloo, succeeding Rex Lanford who has resigned to re-enter the mercantile business. It is understood that Mr. Lanford sold his stock in the bank and bought the stock of goods formerly owned by the J. C. Smith store. It is announced that he will add to this stock and conduct a general mercantile business.

Mr. Smith was president of the bank before moving to Greenwood a few years ago and is consequently familiar with every phase of the business. And his moving back to Waterloo will add to the business interests of that section.

The Bank of Waterloo was organized in 1911 and has enjoyed a good business patronage throughout its existence.
