P. C. Court Men Win And Lose

P. C.'s freshmen Blue Hosemen downed the little Torriers of Wofford here Tuesday night by a score of 30 to 22. The first half was very fast and exciting but as the opponents came back after the rest period, they seemed to slow down and lost their eye for the basket.

Hamilton of P. C. was easily the most outstanding man on the floor, obtaining 12 points before being taken out on fouls late in the third quarter. Of the rest of the boys in blue, Senter and Copeland were best.

Wofford (22) P. C. (30)

Table listing P. C. players: F-McLeod (2), Senter (7), F-Anthony (5), Hamilton (12), C-Edwards (7), Copeland (8), G-Staples (6), Cheatham (1), G-Koon (2), McNaull (2). Substitutes: Wofford, Hux (2), Ross, and Park. P. C., McCord.

Newberry Trounces Blue Hose

P. C. fell before the onslaught of the Newberry Indians last Monday night in the Leroy Springs gymnasium by the score of 35-28. Although both teams were decidedly off form, the game was very exciting at times, the outcome being doubtful until the final whistle had blown.

Newberry scampered away to a good start by hoisting ten points through the net while the Blue Stockings were forced for the time being to be content with two. Caldwell brought joy to the Presbyterian supporters when he began making "whoopie" with the Newberry goal to close the half on the short end of a 13-12 score.

With the exception of Bill Adair, a fresh team started the final period for P. C. and again the Indians forged rapidly ahead. With the count 21-14 in favor of the visitors the first team was inserted, and they immediately proceeded to even up things. From this time on the lead dallied back and forth between the two teams, but with a final spurt the Redmen stepped out in front to win with a seven-point lead.

Caldwell starred for the Blue Stockings, playing a pretty floor game and steadily tossing them in from all angles. Bill Adair played his usual steady game, but as a whole the Hosemen couldn't quite function on all six. Kinard, Newberry center, scintillated, as did both Adams and Culclasure.

The summary follows:

Table listing P. C. players: P. C. (28), Newberry (35), F-Roberts (9), Culclasure (9), F-Adair (4), Adams (9), C-Caldwell (9), Kinard (12), G-Dunlap (1), Rushe (3).

Corps Area Rifle Match Completed

During the past week the P. C. Rifle team has been firing the Fourth Corps Area match, together with Lafayette college. The Fourth Corps Area match is perhaps the most important of the season, for in it the team is pitted against rifle teams representing all of the R. O. T. C. units in this section of the country.

The ten high scorers, and their records for the past week are given below. The order is, prone, sitting, kneeling and standing.

Table listing high scorers: McInnis, W. M. 92 96 81 66 335; Davis H. W. 87 86 88 69 330; Simpson, W. E. 94 87 79 68 328; Anderson, J. S. 92 96 85 53 326; Roberts, P. A. 90 80 83 71 324; Dunlap, L. L. 93 94 81 51 319; Grafton, C. W. 94 88 76 61 319; Anderson, J. L. 94 78 82 64 318; Martin, O. C. 91 90 77 59 317; Blalock, T. J. 91 87 74 52 304.

Lieutenant Taylor, after consulting the results of the matches thus far, and of the Fourth Corps Area match, which is the basis for selecting the letter men, announces that the following men have won their rifle emblems for the 1929 schedule: J. S. Anderson, T. J. Blalock, T. J. Cole, H. W. Davis, L. L. Dunlap, C. W. Grafton, W. M. McInnis, O. C. Martin, P. A. Roberts, and W. E. Simpson.

Due to the shortage of ammunition, it has been necessary to cut the team to eleven men for the remainder of the schedule. The men to be retained are the letter men, and J. L. Anderson, alternate.

COUNTY AGENT BILL PASSES THE HOUSE

Measure Provides for Two Employees In Each County and Are To Be Paid With State Funds.

Columbia, Feb. 23.—After overcoming a most stubborn resistance, proponents of the bill providing for the employ, with state and federal funds, of one county agent and one home demonstration agent in each county in the state, won a victory in the house Friday, when, after four roll calls, the house passed the bill to third reading.

After the bill had been discussed, the house refused to pass the motion to strike out the enacting words by a vote of 51 to 55. A motion to apply the parliamentary clincher to this action brought forth another roll call, the result being 58 to 48 in favor of the clincher.

Then H. C. Godfrey, Spartanburg, offered an amendment that there also be employed one textile expert in each county to teach mill operatives. The third roll call was forthcoming on this amendment, it being tabled, 61 to 47. Then O. D. Johnston, Spartanburg, made a motion to continue the bill, a fourth call being demanded. The house refused to continue the measure by a vote of 60 to 22, and so the bill was passed to third reading.

When the measure, introduced by W. W. Smoak, Colleton, and Olin Sawyer, Georgetown, came up, Mr. Smoak took the floor and spoke in its favor. Forty-one counties, he said, have farm demonstration agents at an average salary of \$1,574; 39 have home demonstration agents at an average salary of \$1,489. The total paid in salaries for these agents over the state is \$119,595. The bill provided that these agents should be paid out of state funds and not by the counties as is at present the rule.

W. R. Harris, Anderson, favored the measure, and spoke of the value of the work done in Anderson by the agents, and J. N. McKenzie, Williamsburg, also favored the measure.

Termining the demonstration agents "home missionaries," Olin Sawyer, Georgetown, declared that in his opinion the appropriation of \$119,000 for this work would do vast good in the state. "All of us can't go to Clemson, but we can, through these agents, bring Clemson to us," he said.

Asa Hall, Jr., Anderson, opposed the bill because it would increase the state appropriation bill. Now, he said, the matter of having or not having agents was left to each individual county. His county, he said, wanted them. "They need checking up, occasionally," he said. "Under this bill the agent is taken out of your control."

An amendment adopted provided that the bill would not become effective until January 1, 1930.

The three representatives from Laurens county, Huff, Parrott and Sullivan, voted against the bill.

P. C. Chooses Frosh Debaters

Try-outs for freshman debate were held last Tuesday evening at a joint meeting of the literary societies. The men who spoke were: Adams, G. C., Anderson, C. W., Anderson, E. V., Myers, J., White, D. S., Murphy, M. T., and Whiteside, J. B.

The speeches were very well worked out, and the delivery was excellent. After some discussion among the judges, the following men were picked for the team: C. W. Anderson, E. V. Anderson, M. T. Murphy and J. B. Whiteside. G. C. Adams was chosen as alternate.

Officials are not yet ready to announce the freshman debate schedule. There will be the usual triangular affair with Newberry and Wofford, but the date is not yet decided. The Blue Stocking will carry the announcements as soon as they are ready for publication.

South Carolina Mills Are Leading

Columbia, Feb. 23.—South Carolina continues to lead the United States in actual running time of cotton mills. The census bureau report shows that during the month of January, the installed spindles in South Carolina averaged in running time 381 hours, as against 341 for the cotton growing states, 261 for the United States and 170 for the New England states. The states nearest South Carolina were Tennessee with 370 hours and North Carolina with 336.

Sullivan To Vote For Bond Issue

Jas. H. Sullivan, member of the county delegation, at his home in Laurens for the week-end, said that after a thorough study of all angles of the proposed state highway bond issue he had decided to vote to pass it. "It may not be a popular move," said Mr. Sullivan, "but I believe Laurens county and the state will be wonderfully benefited by it and therefore I propose to vote for it."

CHICAGO VOTING PASSES QUIETLY

Light Ballot Cast and No Disorders Are Reported. Police Guards Are Placed At Different Points.

Chicago, Feb. 26.—An election was held today and the most serious disorders reported were altercations among poll officials.

Fifty aldermanic jobs were at stake in the contest which attracted a light vote and stirred up no fights, kidnappings, sluggings or killings.

The board of election commissioners estimated less than a 50 per cent vote would be registered, a drizzling rain in the early morning discouraging many who were unable to cast their ballots later in the day because of the 4 o'clock closing of the polls.

Most of the 1,700 watchers and the special police details were assigned to wards that usually prove troublesome. The "Bloody Twentieth," where Octavius Granady, negro politician, was killed last year and where acts of violence were numerous, was efficiently patrolled.

The anti-Thompson candidate in the "Bloody Twentieth," Alderman A. J. Prignano, moved his family into another part of the city and put his home under police guard because he received so many pre-election threats.

The small vote, believed County Judge Edmund K. Jarecki, indicated a victory for the machine of Mayor Thompson and former State's Attorney Robert Crowe. The issue in most of the wards, political observers said, was "Thompsonism."

C. M. T. C. Enrollment To Begin Tomorrow

Lieut. A. N. Taylor, sub-district chief for the Citizens Training camps announces March 1 as the opening date of enrollment for the C. M. T. camps to be held next summer between June 13 and July 12. Lieut. Taylor urges all young men who wish a place in camp to have their applications filled out and turned over to him on the opening date or as soon after as possible. It will be recalled that last summer many boys from Laurens county put in their applications too late to receive a camp appointment. This year it appears very probable that the quotas will be filled during the first week in March.

Lieut. Taylor says that all young men from Laurens county who receive camp appointments will be sent to Fort Moultrie, Charleston, S. C., excepting those who are entering upon the white or blue courses who will continue their camp activities at Fort Bragg, N. C. He also states that further physical examination and vaccinations are not necessary for those who attended a C. M. T. camp last

summer; a certificate on their application blank that they are physically fit being sufficient.

Application may be made at Lieut. Taylor's office in the science building at Presbyterian college, or at the office of A. C. Todd in Laurens, or by writing to either office. Dr. J. W. Davis and Dr. T. J. Peake of this city, and Dr. Mills of Cross Hill, have volunteered their services and will give the necessary physical examination and vaccinations to all C. M. T. C. applicants without charge.

Newberry Indians Close With Victory

Newberry, Feb. 22.—The Newberry Indians closed their 1929 basketball season here tonight by defeating Presbyterian college by a score of 30 to

22. The Indians won on a dramatic comeback in the second half. The Presbyterians took the jump in scoring and were leading 16 to 10 at the end of the first half. The Indians hit their stride in the second period and were able to pile up 15 points to take the lead, 25 to 16, before P. C. could score. From then on the Lutherans easily outdistanced their foes.

The work of Whitaker, Kinard and Rushe, playing their last game for Newberry, was outstanding. M. and W. Adair were the Presbyterian stars.

Line-up:

Table listing basketball players: Newberry (30), P. C. (22), F-Culclasure (3), Roberts (1), F-Adams (2), M. Adair (13), C-Kinard (14), Caldwell (5), G-Rushe (5), W. Adair (1), G-Whitaker (2), O. Dunlap (2).
