ROUTINE MATTERS BEFORE COUNCIL

Mayor Young Presides for First Time. Asks Cooperation in His Efforts. Organization Not Changed.

The regular March meeting of City Council was held Tuesday night at which time a number of matters were up for consideration.

Dr. Jack H. Young, recently sworn into office as mayor for the unexpired term of the late E. B. Sloan, presided over his first meeting with all six members of council present. It was decided by council that all standing committees and the mayor pro-tem be continued as at present. The committees are:

Police committee—W. A. Henry, chairman, Pet B. Adair, J. C. Wilson.

Street committee—W. J. Duncan, chairman, W. A. Henry, Pet B. Adair.

Finance committee—J. P. Carter, chairman, W. W. Harris, W. A. Henry.

Water-Light, and Fire department committee—W. W. Harris, chairman, W. J. Duncan, J. P. Carter.

Cemetery committee: Pet B. Adair, chairman, J. C. Wilson, W. W. Harris.

Health and Sanitation committee: J. C. Wilson, chairman, J. P. Carter, W. J. Duncan.

Mayor pro-tem—W. W. Harris.

On taking the chair as mayor, Dr. Young read a statement saying he felt highly honored in being placed at the head of the government of the city and that it will be his aim to give the town of Clinton a fair and impartial administration, coupled with progress and law enforcement. His statement follows:

To Members of City Council:

"I have just a few remarks to make which I trust you will accept with earnestness and sincerity. I wish to state that I am delighted and happy to represent the city of Clinton as mayor.

"I am delighted and happy to know that I have a set of councilmen that are capable and efficient. In offering myself for the office the most encouraging and inducing thing was that, should I be elected I would have a council that I believed I could work in harmony with. I realize that we will have our differences; this is natural and expected, but so long as we are friendly, unselfish and honest we can always arrive at a satisfactory solution.

"I am not unmindful that I am succeeding a departed friend and mayor whose policies he had recommended and which you had adopted would have given you an ideal administration. Let us strive to live up to these ideals and policies. It will be my desire and purpose to familiarize myself with the various departments of the city, which at present I must admit that I am almost totally ignorant of. We cannot foresee the future that is always uncertain, but I hope that our work together will both be pleasant and productive of good results. I enter upon my duties with the full realization of the fact that my success will depend largely upon your support and co-operation. Hoping for this, I assume the position, and trust that I may discharge its duties, partially at least, to your satisfaction."

A delegation from College View appeared before council asking for the surface treatment of Walnut, Hickory and Cedar streets. Council adopted a motion after a discussion of the request, instructing Engineer Crawford to make a complete survey and estimate of the cost of the job and report back at the next meeting.

The necessity of completing ordinances covering the varied interests of the town, was called to council's attention by Attorney Wade and the mayor was instructed to call special meetings at his discretion to finish this work.

Several requests were heard on license and water and light adjustments, all of which were acted upon.

The police department's report for the month of February, showed \$360.00 in fines collected and 399 days on the chain gang levied upon violators through the Recorder's office.

Council approved the purchase of a new automobile for the police department, the matter being placed in the hands of the police committee.

Letters To The Editor

Editor, The Chronicle:

Having received many compliments by letters and post cards from my old friends round and about Clinton, where I and family resided 17 years, I desire to return thanks to each and all who remembered me on my 90th birthday.

Yes, I came into life and light on this stage of action Feb. 4th, 1839, being born within one mile of the old brick mansion, Cross Keys, Union county, S. C.—the dear old state, my home, the home of my ancestors, and numbers of their progeny. Many of them still reside in Union and Laurens countys. The Bishops, Barnettes and Grays are of the blood of our great grand sire Bishop, who came from Fairfax county, Va., and settled in Union county, near Cross Keys, S. C., and fought with the patriots for freedom and liberty in the Revolution of '75 to '83. The Bishops are not noted for wealth, statecraft, official records or society grandees. But I have never known one of them to fail to respond when their common country called for action in the defence of her rights and liberties. And this is not to boast of, but a record of duty that every American citizen should be truly responsive and faithful to. Defend the heritage that our fathers left to us at so great sacrifice of life, blood and extreme privations of food and clothes. But for the intervention of God, the Supreme Ruler of all His created universe, with only three million all told against the greatest empire or nation on earth, what chance or hope, physically or nationally, did our fathers have to continue the struggle for seven long years. "In God We Trust"—see these sacred words in bold, raised letters on our federal coin. And is it true? Do we, or do we not, trust in God? 'Tis written in Sacred Word, "Woe to that nation who forgets God." This sentence has proved true in all-history from ancient Babylon down through the ages to this present date. See Book of Samuel—one of the true prophets of God. He revealed to Nebuchadnezzar his last

dream, and what should follow down through the ages to this our day and time. Yea, present evidence boldly declares that the world has come to the latter day according to Daniel's prophecy. (See—"Man shall run to and fro and knowledge shall be increased.") Truly this is now—wonderfully evident of fulfilling God's word through His faithful prophet in and of the long ago.

Now, lest I weary your patience or impose upon your time and engagements, I will conclude.

With kind memories of the eternal past, my heart's desire is to thank each and all old friends and associates of the dear old long ago that they still remember me, and I hope ere long I shall visit the dear old state, my home, again, Clinton included.

I have received no less than 150 letters and post cards with congratulations and kind sentiments on my natal day, all of which I do appreciate. May God bless each and every one now and ever more. And let us hope and strive to meet together in the promised land in the sweet bye and bye.

I am, with many thanks and heartfelt appreciation,

Truly,
James T. Bishop.

the following men were accorded letters in basketball: Orell Dunlap, Jimmy Green, Knox Wyatt, Manager Lattimer, and Marvin Snipes. Those entitled to wear stars in addition to the letter are: Bill Adair, Mac Adair, Phil Roberts, Lonnie Dunlap, Bobby Caldwell, and Mason.

Instead of having a football banquet, the decision was in favor of having a gigantic banquet at the end of

the year for all the block-letter men. This is a fine feature for the social program of the year, and it is expected that it will be made an annual affair with much the same rating as the Pan-Hellenic and Junior-Senior banquets.

The next thing we have to worry about is spring cleaning. If you would look at our place after all the rain you would think it needed a spring cleaning.

Spring is opening up, and now is the time to buy your New Ford. Place your order now for delivery when you want the car.

A girl with a vocabulary of 800 words can tell more things than a professor with 18,000. While he spent his time acquiring a large stock of words, she has been devoting her's to using those she has already acquired.

The Ford car of today has 300 improvements over the first that came out.

Lots of people mistake stinginess for economy.

Some fellows who used to drink like fish, have to drink what a fish drinks now.

Repair business is good. We try to satisfy. Bring your car to us when you need repair work done.

When each player gets four-of-a-kind it's a great deal.

"Honesty is the best policy," is an old axiom, says Spurgeon Sumner, but we have policies that are better than the best.

We wash and grease all makes of cars. We use high grade oils and Alemite grease.

You can lead a horse to water, but you must fill a fountain pen.

Badly Run-Down

"Six years ago, I was very much run-down," says Mrs. Olympia Knight, of Lovett, Ga. "I did not sleep well, and was weak and restless. I dragged around the house with not enough strength to do my daily tasks. I worried a lot, and this disturbed state of mind reacted on my health. I had often read of Cardui, so I thought I would try it. I soon began to improve after I had taken Cardui for a while. It was astonishing how much I picked up. I slept better, my appetite improved, and that awful dragging-down feeling left me. I was so much better that I continued taking Cardui until I felt perfectly well. Cardui has been used by women for over 50 years. For sale by all druggists."

Prominent Citizen Dies At Cross Hill

Cross Hill, Feb. 26.—Funeral services for J. D. Black, who died here Sunday morning, were held at the residence Monday afternoon in charge of his pastor, Rev. A. Q. Rice, of Waterloo. Interment was made at Liberty Springs cemetery. Mr. Black had suffered several years from kidney affection and had tried various means, even surgical treatment, in an effort to regain his health, but all in vain. He was one of the best citizens, a Christian gentleman, a member and steward of the Cross Hill Methodist church and held the esteem and confidence of the people.

Mr. Black was 62 years of age and was twice married, first to a Miss Hill of this section who died in 1901. His second wife was Miss Ella McNeill of Waterloo, who with her five children, survive him. He is also survived by one son and one daughter by his former marriage.

now- Six Cylinder Trucks
with the economy of the four!

THE 1 1/2 TON TRUCK
The New 1 1/2 Ton Utility Truck is 32% more powerful, has 7 in. more wheelbase and accommodates any body up to 9 ft. long. 4-speed transmission with power take-off opening standard equipment. Chassis only, \$545
f. o. b. factory, Flint, Michigan.....

THE LIGHT DELIVERY
The Chevrolet Light Delivery combines exceptional six-cylinder performance with unusual economy of operation. Chassis only, f. o. b. factory, Flint, Michigan..... \$400

THE SEDAN DELIVERY
With its Body by Fisher, the Sedan Delivery combines passenger car smartness with sturdy, dependable, economical performance. F. o. b. factory, Flint, Michigan (Spare tire extra)..... \$595

Crowded traffic conditions today demand six-cylinder performance—with its greater flexibility, greater reserve power, higher speed and swifter acceleration. And now—for the first time in commercial car history—this desirable six-cylinder performance has been made available with the economy of the four. For the new six-cylinder Chevrolet trucks are not only offered in the price range of the four—but they are as economical to operate as their famous four-cylinder predecessors! Both the Light Delivery and the 1 1/2 Ton Utility Chassis are available with an unusually wide selection of body types—and among them is one exactly suited to your requirements. Come in today. We'll gladly arrange a trial load demonstration—load the truck as you would load it, and drive it over the roads your truck must travel in a regular day's work.
