We will open a modern 5, 10 and 25c Store in Mr. Bailey's building now occupied by The Bee Hive Store about August 1st. We are only temporarily located in the building formerly occupied by Sparks 5 and 10c Store.

We are proud to have a store in this fine city. Rose's Stores presents a strictly Southern concern, with offices at Henderson, N. C. We buy direct from mills and factories, therefore can sell for less.
