# PENNEY STORES IN CONVENTION

## Manager Swansen Goes To Atlanta for Fall Meeting of District Convention.

A. J. Swansen, manager of the local J. C. Penney Co. store, left Sunday for Atlanta, where he will attend the fall convention of the J. C. Penney Co., to be held at the Biltmore hotel in that city. The convention opened on Monday and will continue for the balance of the week.

Representatives from the New York office of the J. C. Penney Co., who will be present at the convention and preside over the general session, will include Chairman G. T. Mitchell, personnel department; L. A. Martin and G. L. Williams, district managers; E. H. Kilbourne, real estate department. Seven buyers for important merchandise divisions will also be present.

The fall convention at Atlanta is one of 15 district convention meetings held at central points throughout the country and attended by over 1400 J. C. Penney Co. store managers.

"The fall convention this year," said Mr. Swansen, "will be largely devoted to sales promotion, in line with the gold star sales contest recently inaugurated by the company. This contest is not only to increase sales but to improve service to the public by bringing individual clerks in closer contact with the entire organization, thus giving them a better understanding of efficient selling methods.

"This year has already seen the greatest growth ever made in the development of the J. C. Penney Co. More stores have been opened than in any previous year, and sales are larger than ever before.

"Mr. Swansen states that four days of the convention will be given over to conferences with individual members of the convention committees and to buying."
