RESOLUTIONS

Adopted by the Session of the First Presbyterian Church of Clinton, S. C., In Memory of Elder James Isaac Copeland, Oct. 20, 1929.

On Saturday, October 5th, 1929, J. Isaac Copeland entered into his heavenly reward at the age of sixty-one years.

Having been a member of this church for forty-six years, he has left a long record of loyal and devoted service to its cause.

As a young man, he helped to organize its first Christian Endeavor society; later he was superintendent of its Sunday school for a score of years; he was ordained deacon in 1901 and elder in 1913, on September 28th. He was deeply interested in all departments of the work of the church which he loved, and regularly attended its services. It could be said of him as of the psalmist, "I have loved the habitation of Thy house, the place where Thy honor dwelleth."

Whereas, It has seemed good to our Heavenly Father to remove from our session one who has taken such an active part in the work of the church, Therefore, Be it resolved:

First. That in his going home we, as a session, have been deprived of a true friend and counselor in the work of the congregation; one who was content to serve quietly and efficiently in his Lord's Kingdom, ready for any service that might be required of him.

Second. That we humbly bow before our Heavenly Father, saying "Thy will be done," knowing that for him to be "absent from the body is to be present with Christ."

Third. That we extend our sympathy to his bereaved family, pointing them to Christ our Savior who is the author of the lively hope of reunion beyond the grave.

Fourth. That these resolutions be entered upon the minutes of the session of the First Presbyterian church of Clinton, and a copy sent to the family of Mr. Copeland.
