By DONNY WILDER

The Clinton high school cage squad welcomed the sports scene back after having been safely put away for the Christmas holidays. The Presbyterian Blue Hose remained idle but did not prepare for some stiff encounters with the league teams.

Freeman Scores In Horse Bowl
Freeman scored 14 points in the first game of the horse bowl, a contest between the Clinton and Laurens teams.

Simmons was no show look during the warm afternoon as he played in guard position with his usual finesse. Freeman gained a place in the starting lineup on offense and Simmons was awarded a position on the defensive team.

Clinton Splits With Laurens

The Clinton high school Red Devils split a double header with the Laurens high Tigers last Tuesday night, with the girls downing the visiting lasses by a score of 31 to 18 before the Clinton boys went down for 25 to 7 count to the Laurens boys.

The girls showed great improvement in racking up their win and proved that better things may be expected of them in the future.

Sara Hollingsworth went on a scoring spree and displayed 18 points to her credit by the time the final whistle sounded. Sara racked up seven field goals and four free throws in adding up her margin.

The Red Devil girls were out front all the way by holding a seven to two margin at the end of the first quarter, a 13 to six lead at the half time and a 26 to 14 advantage in the third quarter and the 31 to 18 victory at the end of the game.

The Clinton boys' game with Laurens was a close one, with the boys leading 14 to 13 at the end of the first quarter and 26 to 24 at the end of the second quarter.

Clinton's lead was narrow, but they held on to win 25 to 20. The boys' game with Laurens was a close one, with the boys leading 14 to 13 at the end of the first quarter and 26 to 24 at the end of the second quarter.

In the boys' game the coaches made the mistake of not issuing shoulder pads and cleats. Between the fighting, Laurens managed to hold the local boys to a mere seven points while they were busy manufacturing 25 tallies of their own. Truman, Owens and Curly Braswell shared the scoring honors of the night of the red team by making three points per. Robert Franzen topped in a field goal for the remaining Devil dividend.

Presbyterian Preps

The Presbyterian Blue Hose cage squad returned from their Christmas vacation a few days early to start the long, hard grind to the end of the hardwood season.

With all their coveted players back in the fold, Claude Crocker, Presbyterian cage mentor, began putting the boys through some rough sessions in order to work them into shape before their first after-Christmas encounter with Mercer, the Georgia Baptist school. In this first game the spectators will really be able to see what kind of a basketball team they have on their hands, since Mercer is no push-over in any league.

Presbyterian will unleash all their power in this encounter in order to set on the winning road in college basketball.

Thus far, the Blue Hosemen have not met one college team and then they went down fighting before the Clinton Tigers. The rest of the season was dedicated to games with other teams of this area.

Bill F. Thompson and Willy Gröndel will be the two boys to watch in the coming season.

Hosemen To Wrestle

The Presbyterian wrestling team will have a first meeting with the Clinton Tigers in a match-up scheduled for the first of the season. The Blue Hosemen will be coached by Coach Crocker. The team is expected to be one of the best in the area.
