

NEW 1950 CHEVROLET SEDAN TO BE SHOWN HERE SATURDAY

The Styleline, one of two individually designed sedans which have achieved immense popularity with Chevrolet owners, will have new beauty in 1950. Improved grille work, sturdier bumper guards and more tasteful ornamentation are some of the exterior improvements. New Chevrolet also offer increased power and comfort with the Powerglide automatic transmission as optional equipment on De Luxe models.

The new Chevrolet will be shown here for the first time on Saturday, January 7, in the show-rooms of Giles Chevrolet Company, local distributors.

Several members gave talks on Advancement in 1950, a spiritual revival, stewardship and cooperation.

Mrs. R. B. Amick presided over the business session. The sick committee and community missions reports were given. The roll was called and minutes read by the secretary, Mrs. Grady Smith. Prayer by Mrs. Ralph Riddle closed the meeting.
