Contract Awarded For Signs On 40 Miles Of Interstate

A contract for the furnishing and erection of a system of traffic control signs on 40.725 miles of Interstate Route 26 in Spartanburg County has been awarded by the State Highway Department to Tri-State Culvert and Manufacturing Division of the Florida Steel Corporation, Decatur, Ga.

The contract was announced Nov. 9 in a letter of award from the highway department. It was based on a low bid of \$174,418 submitted when bids for the work were publicly opened in Columbia October 18.

Included in the project are the furnishing, fabrication and erection of a complete system of traffic signs, including delineators and barricades on the main road, frontage roads, interchanges and roads or streets affording immediate access to the main route on 40.725 miles of Interstate Route 26 from Enoree River northerly to the intersection with South Carolina Route 11 in Spartanburg County. Other sections of Route 1-26 are already under contract for signing all the way from the Calhoun County line to Enoree River.
