Let's go to Church Sunday

Yesterday is gone. We tear its page from our calendar, for we live in the present.

But often we look back with nostalgia to the many yesterdays which make up the past. In a different mood we plan for the uncertain days ahead, sometimes filling them with happy expectations, sometimes with anxious forebodings.

Where is God in this time pattern of our lives?

Is He in the past alone, incarnate two thousand years ago in the great Teacher of Nazareth? Or does He walk with us through the present, our Companion each day? Does He remove all fear from the future with His promise, the promise of the living Christ, "And lo, I am with you always, even unto the end of the world?"

Come to Church and learn to know this Christ who is "the same yesterday, today, and forever."

THE CHURCH FOR ALL... ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy, nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
