Southern Sweet Potato Pudding

The spicy aroma of sweet potato pies and puddings wafting from Southern kitchens always means good eating is in store. Sweet potato pudding has long been a Southern favorite and is an unforgettably delicious dish. The home economists of the Carnation Company recommend this popular pudding for autumn menus with a recipe which features the use of evaporated milk. The rich creaminess of evaporated milk creates a smoothness in texture so desirable in this kind of dessert, and adds valuable nutrients as well, since evaporated milk is a concentrated form of milk. Serve this Sweet Potato Pudding perfected in the home service department of the Carnation Company.

SWEET POTATO PUDDING
(Makes 8 to 10 servings)

4 cups grated sweet potatoes
1 cup light corn syrup
1 cup sugar
1 1/2 teaspoons ginger
1/2 teaspoon nutmeg
1/2 teaspoon mace
2 tablespoons grated orange rind

1/2 cup water
1/2 cup (small can) undiluted Carnation evaporated milk
3 eggs, well beaten
1/2 cup butter
1 large orange, sectioned
Maraschino cherries

Mix potatoes, corn syrup, sugar, spices, rind, water, evaporated milk and eggs together. Melt butter in 9-inch skillet. Add potato mixture; cook over medium heat stirring constantly, 10 minutes. Bake in moderate oven (375°) 40 minutes, or until potatoes are tender. (Stir occasionally.) Cool. Garnish with orange sections and cherries.

Couple Will Reside In Greenwood Following Rites

Miss Beverly Anne Buzhardt became the bride of Wesley Clarence Werts, Jr., of Greenwood, in a ceremony taking place on Friday evening, December 23, at Calvary Baptist Church.

The Rev. J. W. Spillers officiated at the double ring ceremony.

A traditional Christmas setting of greenery, white mums and poinsettias were used for the ceremony.

Wedding music was presented by Mrs. Joe Land, organist, and Miss Martha Joah Reeder, vocalist. Before the ceremony, Mrs. Land played "Berceuse," "Indian Love Call," "Angel Serenade," and "Traumerlei." During the ceremony "To A Wild Rose" was played. The traditional bridal chorus was used as a processional and the wedding march from Lohengrin as a recessional. Vocal selections included "I Love Thee," "Whither Thou Goest," and as a benediction "O Master Let Us Walk With Thee."

Ushers were Steve Crowe and Johnny Cannon, cousins of the bride. The bride's uncle, Harold Crowe, gave her in marriage and best man was Billy Ginn of Greenwood, brother-in-law of the groom.

The bride's only attendant was her cousin, Miss Mona Cannon, who wore a daytime length dress of royal blue taffeta featuring a round neckline, small cap sleeves, and a bouffant skirt with large self bow in the back. She carried a single poinsettia in a bed of gold net and lace with gold metallic ribbons.

The bride wore a street length sheath dress of white brocade taffeta fashioned with three-quarter sleeve jacket, Peter Pan collar and self-covered buttons. A tulle overskirt was accented with tiny velvet bows. She carried an orchid on a satin covered Bible with satin streamers tied with tulle bows.

For her daughter's wedding the bride's mother chose blue lace with a corsage of pink carnations. The groom's mother wore blue crepe and white carnations.

After the ceremony the wedding party greeted guests in the vestibule of the church.

For going away the bride changed to a grey suit with black and white accessories and a feather hat. She wore the orchid from her Bible.

The bride, who is the daughter of Mrs. H. S. Jenkins, is a 1958 graduate of Clinton High School. She is employed by the Chemstrand Corporation. The groom, the son of Mr. and Mrs. Werts of Ninety-Six, is a graduate of Ninety-Six High School and has served three years in the Marine Corps. He is employed by Jim Self Construction Co. of Greenwood.

After a wedding trip the couple is at home at 1-A Glenhaven Apartments, Greenwood.

Dear Dr. Dawson,

Dear Dr. Dawson, We have heard a number of different ideas on what Chiropractors believe concerning germs. Would you explain this to us.

An interested group of housewives

Dear Ladies, Chiropractors have been accused of not "believing in germs." This is, of course, an insinuation that we are somewhat less than intelligent since anyone with vision and a microscope can SEE germs—they are not something which must be "believed in."

However, the Chiropractic theory concerning germs is that germs attack sick organs—not well ones—thus that the germs do not initially cause an organ to become ill. It is a well recognized fact that when a person is in good physical condition, has good, high resistance, he is much less likely to succumb to illness. It is also generally accepted that weak organs are very susceptible to illness. The Chiropractor knows that nerve interference causes organs and entire bodies to function improperly—to be sick—therefore providing a fertile field for germs. If nerve pressure is removed through Chiropractic care, these organs begin to be restored to health and will no longer be the unhappy hunting grounds for germs.
