BAILEY MEMORIAL CHURCH NEWS

Bailey Memorial Methodist Church is participating in the World Wide church attendance movement along with other Methodist churches in this area.

The members of Bailey Memorial Methodist Church will be visiting in the home of its members and unchurch families in the community in an endeavor to deepen the spiritual life of the church and community. If any family in the community without a church home is interested in a visit from a Christian member of this church please contact Rev. B. A. Westly at 1475-J. This is a movement which began Sunday, Jan. 1 and will run through Easter Sunday.

As the title of the program designates, "Church Attendance Movement," we hope that this will help families to worship together regularly and in so doing give God a chance with their lives.

"See You In Church Sunday" CARD OF THANKS
