**LIFT A CHILD**

...and hold him above you.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**  
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plans to go to church regularly and read your Bible daily.

You don't expect a child to stand toe to toe with a man. You lift a child . . . and hold him above you.

You don't expect a child to understand fully what is right and wrong.

You don't expect a child to comprehend every spiritual ideal.

You don't expect a child to sense instinctively the constant concern of God in his life.

You lift a child . . . you give him the opportunity in his Church and in his Christian home to gain moral and religious insights.

And you hold him above you . . . dedicating your own time and strength to your Church so that you and your child can find together the spiritual foundation on which men should build their lives.

**STIFF TREATMENT**

Collaroid collars and cuffs were worn as a preventive against all sorts of diseases. Of course, we know better nowadays. In recent years, medical research has exploded a whole series of such fallacies. We are now living in the healthiest era the world has ever known. Every day medical science makes advances toward preventing disease . . . alleviating suffering . . . prolonging human life. When you are ill, take advantage of these new effective treatments by seeing your physician. Then, should he recommend medication, we'll be glad to fill his prescription promptly and carefully.
