# **Clinton Tennis Tourney Begins**

At PC Monday The fourth annual Clinton City Tennis tournament is scheduled to begin Monday at the Presbyterian College courts, with matches in the following divisns: men, ladies, junior boys and girls (18 and under); sin-

gles, doubles and mixed doubles. Players interested in entering should contact Rufus E. Sadler, Miss Amelia Nichols, or Dodge Frederick at Presbyterian Col-

A small entrance fee will be made to cover the cost of trophies and tennis balls furnished for each match.

Deadline for entries is 6:00 p., m., Saturday, July 25.

The minister of one of Atlanta's leading Presbyterian churches will preach at Camp Fellowship next Sunday night to bring to a close the sixth annual Religious Emphasis Month services held there during July.

He is Dr. Vernon S. Broyles, Jr., pastor of Atlanta's North Avenue Presbyterian Church since 1954 and a leader of the Presbyterian Church, U. S.

The service is scheduled for 8 p. m. in open-air Fraser Chapel on the banks of Lake Greenwood. Persons of all denominations are cordially invited to attend this service which concludes one of the most successful series of the six-year program. It is sponsored by the Christian Education Committee of South Carolina Presby

Dr. Broyles was born in Rogersville, Tenn., and spent his degrees, and has done additional post-graduate work at the University of Tubingen, Germany.

He began his ministry at the Waddell Memorial Presbyterian giving program moved toward Church of Rapidan, Va., in 1930, the mid-way mark today in its moved to the Canton (Miss.) quest for a record \$80,000 from Church for seven years and then to the North Avenue Church of Atlanta (1941-50). > The meeting is set for the usual time of 7 p. m. at the Mary Musgrove Hotel.

Glover gained a first-hand knowledge of S. America during the years he spent in Brazil as the representative of a British business firm. He has continued to keep well-informed about Latin American developments and makes an interesting presentation about this complicated area which is now so crucial to U. S. diplomacy.

A native of England, John Glover was educated at Oxford University, from which he was graduated with honors in languages. He has been a resident of Clinton since 1947.

#### 143 Phones Added In Clinton, Joanna

Local Southern Bell Manager D. H. Martin said this week that 143 additional telephones have been added to the Clinton and Joanna exchanges since January 1, bringing orders for new service during the first six months of 1964 up over what was anticipated late last year.

Nearly 14,000 have been added in the state as a whole. He precontinue "at least through the rest of the year." "Before the year is over South-

ern Bell will have spent a record \$28 million in its construction program in the state to provide facilities for new custome and to further improve pres service," Mr. Martin said. He added that over \$3.3 million will have been spent in the Spartan-burg district by the end of the
