Torrington Announces Plant Expansion College Gets \$150,000 Challenge Gift

Must Raise \$600,000 Over Next Three Years

Community Chest Plans Develop

Area To Be Increased More Than 50 Percent

Membership Pins Presented

Miss Ruth Todd and Miss Maria King were recently presented 10-year membership award pins by G. Edward Campbell, president of the board of Directors of the Clinton Council of Camp Fire Girls, Inc. Both girls are 1964 graduates of Clinton High School. Ruth, daughter of Mr. and Mrs. J. Sloan Todd, left Monday to attend Erskine College, and Maria, daughter of Mr. and Mrs. Rufus W. King, left the past week-end for Winthrop College.

PC Faces Frederick In Kickoff Here Saturday

Presbyterian College will unwrap the 1964 football season here Saturday night against Frederick College in what the power experts rate as a toss-up.

Kickoff time is 8:00 p. m. on Johnson Field.

Approximately 1,000 South Carolina high school students—PC's Youth Day guests—will watch the Blue Hose men launch their pro-type offense against the team they whipped 19-0 last year. Frederick opened its season last week, dropping a 28-14 contest to a strong Indiana (Pa.) College squad.

Men of Presbytery To Meet Monday

The fall rally of the Men of the Church of South Carolina Presbytery will be held Monday night in the dining hall of Thornwell Orphanage.

The speaker will be the Rev. Charles R. Tapp, superintendent of the Presbyterian Home, Summerville.

Registration will take place from 6:30 to 7:00 in the dining hall lobby, followed by dinner and the evening's program.

Hubert W. Graydon, president of the organization, will preside. Officers for 1965 will be elected, and the installation will be by Rev. Randolph Kowalaki, minister advisor to the men's organization.

Other listings on the program include: Invocation by John Vouden, Scripture reading and prayer by Otis Brown, introduction of the speaker by Dr. M. A. Macdonald, and the benediction by Dr. Robert C. Bankhead.

Clinton Junior Teams Clash With Laurens Here Today, 6:00 P. M.

The Clinton Junior High team and high school JV teams both clash with teams from Laurens on Wilder Field tonight.

The junior high battlers meet their Laurens opponents at 8:00 p. m., and the JV game begins at 7:30 p. m.

Last week in its opener the Clinton JV team downed Newberry 28-0.

AT GRADY HOSPITAL

Miss Delores Passmore left last week for Atlanta, Ga., where she will enter the Grady Hospital School of Nursing.

Thornwell, Paolet Meet Here Tonight

Thornwell High's fast-stepping football team will meet the Paolet JVs tonight on the Thornwell field. Game time is 7:30.

The Thornwell boys have racked up two wins in this early football season. The Wildcats defeated Ford, 32-12, in their opener, and last Friday defeated Slater-Marietta, 26-0.

The coaches were able to use the entire 28-man squad in both games. The spirit of the team is high and they are ready for Paolet tonight.

Each week a player of the week is chosen. Jacky Higginbotham, a halfback, was chosen after the first game, and Larry Cockerel, a fullback, was chosen after the second game. These two boys have gained over 250 yards each in the first two games. They are also co-captains of the team.

Cockerel scored 25 points in the two games, and Higginbotham 19 points. They were guests of the Exchange Club at their meeting Monday night.

It's an anxious test for Coach Cally Gault's Presbyterians, as they pit their highly-publicized passing attack against the bigger Lions from Virginia. The Frederick line averages 220 pounds per man, a 25-pound margin over PC's 195 average.

In the backfield, quarterback Leighton Grantham will direct PC's aerial circus, and he has capable receivers—and rushers—in halfbacks Wade Stewart and Don McNeill. The question mark in the Hose offense is fullback, where non-letterman Sam Williams will occupy the starting berth.

At the ends, rugged Jimmy Bankhead and non-letterman James Smith will probably get the starting jobs. Bankhead weighs 203 pounds and Smith is 184. 193-pound sophomore John Monk will fill the left tackle position, and either Jim Helms, 220, or Jimmy Cape, 202, will start at right tackle; both are non-lettermen. Co-captain Mike Lowrance, 200, and Bernard West, 180, will man the guard posts, and 193-pound co-captain George Lokoy will be the center.

ROBERT HANSON

Hanson To Join Bearings Plant Here

The appointment of Robert Hanson of Torrington, Conn., as production manager of the Clinton Bearings Plant of the Torrington Company was announced yesterday by Robert B. Wassung, manager of the local plant. Hanson will assume his new duties immediately.

A native of Connecticut, Hanson was graduated from the University of Connecticut with a B. S. degree in Industrial Administration in 1963. He joined the company in August of that year as a time study engineer with the Bearings Division. He has also worked as a production control scheduler and, since April of last year, in the methods and procedures department.

Hanson is presently a candidate for an M. A. degree in Economics at Trinity College, Hartford, Conn. He is a past president of the Torrington Industrial Management Club. Mr. and Mrs. Hanson are the parents of three sons, Glenn, Mark and Craig. They plan to take up residence in Clinton about October 1.

Fairview Church Begins Construction

Construction has begun at Fairview A. M. E. Church near here. The original building was completely destroyed by fire on August 6, 1964.

The Rev. Louden is pastor, and Clark McNeill, is a deacon.

Contributions in any amount for the new building will be appreciated.

Presbyterian College received a double-barrelled boost to its long-range development program with the announcement today of a \$150,000 challenge grant and new subscriptions totaling \$162,180 from the Clinton area toward claiming the matching funds.

President Marc C. Weersing said the challenge grant has been made by one of the largest foundations of the Southeast which must remain anonymous. It is dependent upon Presbyterian College raising \$600,000 over the next three years.

Upon receiving preliminary word of the grant, a group of Clinton leaders immediately conducted an unannounced whirlwind drive for capital funds and raised the \$162,180 to kick off the campaign. This leaves \$437,820 to be acquired as the college looks beyond the local area for matching funds.

President Weersing said the funds will be sought mainly among individual alumni and friends, corporations, foundations and other organizations. He pointed out that churches of the South Carolina Synod had held an extensive campaign for PC

Laurens Electric Cooperative Sets Saturday Meeting

The Laurens Electric Cooperative's annual business meeting Saturday, September 19 will feature The Dixie Ramblers for entertainment and the always-popular local beauty contest combined with a review and discussion of co-op business.

Held each year for the 8900 member-owners of the local corporation and opened to the general public, the business meeting and beauty contest is scheduled to be held beneath the mammoth big top on September 19 at the Laurens County Fair Grounds.

Registration of members begins at 9:00 with the meeting slated to begin promptly at 10:00. Drawing for prizes to be given to members will be held at the conclusion of the meeting, and members are reminded that they have to be present to be eligible to win prizes.

A total of 27 lovely lassies from the Co-Op's service area will be competing for the title of "Miss Laurens Electric Cooperative."

Co-Op officials estimate that 2,500 people from throughout the area served by the Laurens Electric Co-Op will attend this important meeting.

Better Bible Teaching At Laurens Church

A "Better Bible Teaching Clinic" will be conducted Sept. 21-25, at Laurens First Baptist Church. Laurens Baptist Association are All the Baptist Churches in the area asked to participate in this program.

The Sunday School lessons for the last quarter of this year will be studied and better methods of teaching will be presented. Classes will begin each night at 7:30 o'clock.

which produced a record-breaking \$1,957,103 in 1962. The Georgia Synod is planning a similar campaign in 1966.

The total of \$750,000 to be raised by the matching grant and the funds to claim it will be used to complete the cost of three new buildings now under construction on the Presbyterian College campus. These buildings—a new science hall, dining hall and PC's first women's dormitory—are scheduled for completion by next September. A total of \$1,100,000 toward their combined cost of \$1,850,000 will come from subscriptions of the 1962 campaign. Other funds raised in that effort were earmarked for endowment.

Dr. Weersing pointed out that the Clinton area had subscribed \$326,974.60 during the 1962 drive. With the additional \$162,180 reported today, this increases to \$489,154.60 the total amount subscribed by the local area of some 8,000 residents. These funds will be used to pay for the new women's dormitory which will bear the name of Clinton Hall. The cost of this air-conditioned facility to accommodate 122 girls and a house mother will run to \$488,420.

In making his two-pronged announcement today, President Weersing said:

"The challenge grant and the response of the Clinton people toward claiming it are of tremendous significance in the plans of Presbyterian College. This foundation is one of the most selective agencies in the southeast. Its endorsement of the college in this manner will strengthen the confidence of others who want to support quality Christian education. Equally inspiring is the overwhelming stamp of approval placed upon our work here by those who know the college best and love it, our fellow residents of the local community. These are great spiritual, as well as material, assets in the continuing development of Presbyterian College."

County Baptists Schedule Bible Teaching Clinic

Laurens — Members of 41 churches in the Laurens Baptist Association will join area pastors, Sunday school teachers, general and department officers at a "Better Bible Teaching Clinic" scheduled Sept. 21-25 at the First Baptist Church.

The clinic will be conducted from 7:30 to 9:30 each night during "Preparation Week," usually observed at this time of the year in Baptist churches to prepare Sunday school workers for the new calendar year beginning October 1.

Teachers will be Mrs. Herman Ihley of Raleigh, N. C.; Mrs. C. R. Hinton, of Albemarle, N. C.; Mrs. Ira J. Cary of Aiken; Mrs. E. E. Porter and Mrs. O. K. Webb of Greenville; Mrs. E. S. McSwain of Spartanburg; James Rice, Mrs. D. D. Lewis, J. P. Coates and Dr. D. D. Lewis of Columbia.

Mrs. Turner To Head Residential Division

Plans for the 1964-65 Community Chest campaign in Clinton are rapidly taking shape, with the dates for the drive set for Sept. 29-Oct. 13, campaign chairman Reese Young stated yesterday.

The 13 participating agencies have been allocated a total of \$23,688.94, which is the budget for the coming year.

Mrs. Michael Turner has been named residential chairman for the United Fund drive. She will announce her area chairmen and aides shortly.

Mrs. Turner, the former Marcia Galloway, is the daughter of Mr. and Mrs. C. E. Galloway. A graduate of Winthrop College, she resides with her husband and three daughters on Young Drive.

She is a member of All Saints Episcopal Church, serves as organist and as an officer in the Woman's Auxiliary. She has led and assisted in many civic endeavors.

Participating Agencies

Clinton Campfire Council — \$4,916.61.

Blue Ridge Council of Boy Scouts — \$3,175.

Laurens County Cancer Society — \$3,650.

Crippled Children and Adults Society of Laurens-County — \$1,250.

The Salvation Army — \$750.

American Red Cross — \$3,225.

Local Relief — \$3,050.

National Cystic Fibrosis Research Foundation — \$400.

United Health and Medical Research for South Carolina — \$300.

United Cerebral Palsy — \$100.

Laurens County Mental Health Association — \$433.

Carolinas United Organization — \$1,163.13. This one group embraces 11 charitable and service agencies, as follows: American Social Hygiene Association, S. C. Association for Mental Health, USO Fund, Fairview Alcohol Rehabilitation Center at Ridge-way, the Florence Crittenden Home at Charleston, American Hearing Society, National Travelers Aid Association, National Recreation Association, National Council on Crime and Delinquency, International Social Services.

Administrative Expense — \$1,276.20.

Advance Gifts Division

Palbearers were Furman La-

The Advance Gifts Division of the Community Chest is already at work under Don G. Creighton, chairman, and a group of 35 solicitors. The members of the division held a kick-off breakfast Tuesday morning at Hotel Mary Musgrove. The campaign got underway after lists of prospects and supplies for the solicitation were distributed.

Solicitors are: I. Mac Adair, W. A. Alexander, Thomas E. Baldwin, W. C. Baldwin, H. Francis Blalock, R. W. Boland, George Brockenbrough, Lynn Cooper, Jr., J. Robert Cox, A. B. Godfrey, William Hatton, Thomas F. Hollis, W. P. Jacobs, Robert E. Johnson, L. D. Lott, Dr. James Macdonald, Harry Y. McSweeney, M. D. Milam, Jr., John L. Minnaugh, J. M. Oeland, Dr. Dan E. Orr, Davis V. Pitts, L. Ray Pitts, W. R. Pitts, Jr., Tom Plaxico, L. V. Powell, A. A. Ramage, Jr., L. S. Reddeck, W. M. Shealy, Goynne L. Simpson, D. B. Smith, J. Sloan Todd, R. S. Truluck, A. C. Young, Jr., Lawrence Young.

Board to Register Voters Sept. 28-30

The Laurens County Registration Board will be in session on Sept. 28, 29 and 30, it is announced.

These will be the last days eligible voters can obtain certificates for voting in the General Election on Nov. 3.

The law requires that the registration books be closed and the names certified at least 30 days prior to an election.

More than 1300 new voters have been registered by the board in recent weeks, it was stated.

MRS. R. M. TURNER

The second major expansion of its Clinton Bearings Plant since the Southern facility was built in 1961 is being planned by The Torrington Company, and will increase the plant's area from 215,000 square feet to 335,000 square feet.

In making the announcement, the company cited "a pressing need to enlarge our manufacturing capabilities to cope with a substantial increase in demand from Torrington bearings and related products."

"The successful development of new product lines, including

Torrington's very promising drawn cup roller clutch, has further indicated the necessity of expansion throughout our bearing divisions," according to the company announcement.

Recently, Torrington announced the construction of a new bearings manufacturing plant at Darlington, England, and an addition to its needle manufacturing facilities at Torrington, Conn.

The Clinton plant will be increased from its present 215,000 square feet to 335,000, with the addition of 120,000 square feet—an increase of more than 50 percent in floor space.

In addition, a 60x120 ft. second story will be added to the office section of the building. The expansion will be on the north end of the building, adding about 300 feet.

The original building was opened in July 1961 and contained 142,000 square feet. Additions to both ends of the building, completed in August 1963, increased the capacity of the plant to its present 215,000 square feet.

Robert B. Wassung, manager of the Clinton plant, said construction is expected to be underway within a month. The work will be done by Daniel Construction Company of Greenville.

The plant is located on the old Clinton-Laurens road.

County Receives \$16,368 From Forest Receipts

Laurens County has been allocated \$16,368.08 as its share of national forest receipts during the fiscal year which ended June 30.

Thirteen South Carolina counties, most of them in the upstate, shared a total of \$421,392.

Forest supervisor Ray W. Brandt said that based on the number of acres of national forest land in the State, the money going to the counties averages 71.8 cents an acre.

Federal law makes counties 25 percent partners in national forests since this part of federal receipts is paid to the counties by the U. S. Forest Service each year for roads and schools.

Open House At Junior High Slated for Tuesday

Clinton Junior High School will observe open house for parents on Tuesday, Sept. 22. The session will begin at 7:30 p. m.

The purpose of this meeting is to give parents and teachers the opportunity to become acquainted. Also the teachers will be able to learn more about their pupils through the parents, and the parents can learn more about the school's program in general.

The faculty extends a cordial invitation to all patrons of the school.

CHS to Meet Abbeville Friday; Beats Rock Hill

Clinton High goes to Abbeville Friday night for their third game of the season.

Boasting two victories in third game of the season.

The Red Devils will be looking for number three.

Abbeville won from Pendleton last week, 34-0.

By MARK KING

Clinton High's "Red Devils" took advantage of their opponents' miscues last Friday night as they defeated the Rock Hill "Bearcats", 19-12. Clinton recovered four Rock Hill fumbles and turned three of them into touchdowns.

After recovering a Rock Hill fumble in the second quarter, Clinton marched steadily toward with J. W. Davis and Joel Whitesel picking up valuable yardage. Quarterback Gary Laney took the ball over from the two-yard line, and Carroll Barker kicked the extra point. Late in the first half Clinton recovered another Rock Hill fumble on the Clinton 46-yard line and headed for the goal again. Laney and end Joe Fuller teamed up for a 30-yard pass play during the drive, and with 37 seconds left in the first half, Joel Whitesel ran four yards for the score. The extra point attempt failed, and at the end of the first half Clinton led, 13-0.

Early in the third quarter Rock Hill's Keith Morton picked up a blocked punt and raced 50 yards for the Rock Hill tally. The PAT was good. After the kickoff Clinton drove toward the goal, but the drive was stopped when Danny Hinson picked off a Clinton pass on Rock Hill's 7-yard line. Two plays later Clinton recovered a Rock Hill fumble on the nine-yard line. Rock Hill's defense wasn't enough as Carroll Shealy took the ball over from the one-yard line, but the extra point attempt failed. Rock Hill took the kickoff and drove 65 yards for a score with quarterback Donnie Ferrell directing the drive, but their extra point attempt was no good. In the closing minutes Clinton held Rock Hill deep in Bearcat territory and put the game away by taking possession of the ball with less than a minute to play.

Tomorrow night (Friday) the Red Devils take their 2-0 record to Abbeville for another tough game. Your support will be appreciated.

1,000 Young People To Visit College Here Saturday

Some 1,000 young people from throughout South Carolina will visit the Presbyterian College campus this Saturday for the second annual Presbyterian Youth Day.

They represent members of the Senior High Fellowship organizations of the Presbyterian churches of the state.

The young men and women have been invited to be guests of Presbyterian College for this occasion which will feature campus tours, a special program of welcome by PC students, supper and attendance that night at the Blue Hose-Frederick College football game.

Presbyterian Youth Day is scheduled to get underway at 3:30 p. m. Saturday with registration in the Douglas House. Blue Key leadership fraternity will sponsor guided tours from this point and will present a program of entertainment in Belk Auditorium, starting at 4:30 p. m. The latter program will include talks by President Marc C. Weersing and various student leaders as well as numerous musical selections.

Supper under the campus oaks will follow at 5:30 p. m., and then the group will sit as a body in a special section of the grandstands for the 8 p. m. football game on Johnson Field.

Daniluk Returns As Staff Assistant

John Paul Daniluk, who served with the Presbyterian College ROTC department 1960-62, has joined the PC staff as an administrative assistant, it was announced today.

He recently retired from the U. S. Army after 20 years of service. He was retired as a second lieutenant after spending most of his career as a first sergeant and sergeant major. His army citations include the Bronze Star, Purple Heart, Combat Infantry Badge and Commendation Medal with three oak leaf clusters.

Daniluk, in his new position, will serve as an assistant to the business office and the dean of students in supervising various campus activities. He and his wife have one son. They are members of the Presbyterian Church.

Chamber Commerce Meeting On Sept. 22

Clinton Chamber of Commerce President Dr. Dan Orr has called a meeting of the general membership on September 22nd.

The meeting will be held at 10 a. m. at the Mary Musgrove Hotel. Coffee will be served. All members are urged to attend.

Barbecue Begins Football Season

Shown here is a part of the crowd which gathered under the campus oaks Tuesday night for the annual barbecue and program to usher in the year's football season. Civic clubs in Clinton cooperated in the event, which attracted some 750 Blue Hose fans. Following the meal, the crowd moved inside Belk Auditorium for a program that included skits, performances by the

Clinton High School Band and cheerleaders, and fight songs by Clinton's Old Pro's Quartette, composed of Harry Bolick, George Brockenbrough, Tommy Hollis and Mike Turner. PC athletic director Cally Gault gave a preview of the 1964 Blue Hose football prospects. Serving as master of ceremonies for the program was George Cornelison of Clinton.—Yarbrough Photo.
