

Jazz Ensemble To Open Concert Season Tonight

The American Jazz Ensemble, hailed by Time Magazine as "a group that has set avant-garde beards to wagging the length of Italy," will open the Clinton Community Concert Series with a performance tonight at 8:00 in Belk Auditorium on the Presbyterian College campus.

Smith and pianist Johnny Eaton, the Jazz Ensemble plays what has been termed by Time as "cool jazz," in a style that is "less weird but technically just as adroit."

Except in musical tastes, co-founders Eaton and Smith are a study in contrasts. Pennsylvania-born Eaton, 26, is the son of a Methodist minister. He started composing and playing the piano as a youngster but later went to Princeton to prepare for a law career. But success in the jazz field as a student changed his mind.

Bill Smith, a native of California, is Juilliard trained and was with Dave Brubeck at Mills College. He was a charter member of the original Brubeck Octet.

Judge Wasson, recognized by his fellow workers in the association as "a great humanitarian," received the award with the unanimous approval of all attending the annual meeting.

Referendum Not To Be Held

Someone Asleep at Switch On Second County Election

Thomas A. Babb Named To Head Mental Health Assn.

Laurens — Thomas A. Babb, Laurens attorney, was elected president of the Laurens County Mental Health Association at its annual meeting here Monday night. He succeeds the Rev. John Rivers of Clinton.

The three area vice presidents elected were Mrs. Mable Little, Marshall Pressley and Dr. Claude Cooler. Re-elected to office were Mrs. Grace Montgomery, secretary, and Mrs. Janelle Causby treasurer.

State Sen. Earle Morris of Pickens County, speaking at the meeting, praised the volunteer workers in the field of mental health. He said it was through efforts of volunteer groups "that ignorance and old wives' tales about mental illness are being replaced with understanding."

Laurens State Sen.-elect William C. Dobbins introduced the speaker. President Rivers, presiding, recognized the staff members of the Area Five Mental Health Centers at Greenwood, and Mrs. Alma Wham, State Mental Health Association field representative.

Larry Gar of Laurens was presented a lapel Mental Health Bell for outstanding volunteer service in Laurens County. The award was made by Harry Bryson, an executive director of the South Carolina Mental Health Association.

Ott, Republican, Named To County Election Board

Laurens — Furman E. Ott of Rt. 2, Laurens, apparently has been appointed to replace James D. Wasson of Hickory Tavern on the three-member Laurens County Board of Election Commissioners.

Cit. farmer and owner of a heating and air conditioning firm here, said Tuesday that State Senator King Dixon had notified him of the appointment by Gov. Donald S. Russell. Notification, he said, was in a letter from the governor to Senator Dixon.

The letter listed the board's other two members as Joe B. Medlock of Laurens and G. N. Foy of Joanna, who apparently will continue to serve.

Wasson was a veteran member of the board.

Ott is second vice-chairman of the Laurens County Republican party and a member of its finance committee. He formerly served four years as GOP chairman in Laurens County.

Members of the board of election commissioners serve unspecified terms. State law provides that they shall be appointed by the governor on recommendation of the state senator and a majority of the county legislative delegation at least 30 days before the date of any election. They continue to serve unless and until they are replaced.

Ott's appointment apparently was affirmed in a letter to Senator Dixon from Gov. Russell dated October 2.

For the second time this year, Laurens County voters have been prevented from casting their ballots in an election ordered in the last session of the General Assembly at the instance of the Laurens County delegation.

The first election was on the question of providing Laurens County funds for the technical education center to be located in Greenwood. That election, ordered to have been conducted by the County Board of Commissioners on the same date as the county Democratic primary got lost in the shuffle when the question was not put on the ballot. At that time, Supervisor Furman Thomason explained that the board had not been notified of the election and that the first he knew of it was after the election date had passed.

The second election, in the nature of a referendum on the question of equalizing tax assessments in the county and directed to be conducted by the county Board of Election Commissioners, was directed in the legislation to have been conducted the

"second Tuesday in November" became vitiated last week when it came to light that the time required for the publication of notice of election had already been passed.

The referendum to the "second Tuesday in November" presumably is supposed to be the date for the regular November general election, which is to be held on Nov. 3.

That date is not the second Tuesday in the month. The general election law states the election is to be held on "Tuesday after the first Monday", which this year sets the date for Nov. 3, which is the first Tuesday in the month.

In other circumstances, depending on which day the month of November begins, the election could be held on the second Tuesday in the month.

County Baptists Ponder Worker Among Colleges

The 68th annual meeting of the Laurens Baptist Association was held last week, with a total of 235 messengers attending the two-day session at Bellview and Warrior Creek Baptist Churches near Laurens and Gray Court.

Significant action taken by the Association included adoption of a recommendation presented by Rev. J. C. Rice which called for the appointment of a committee to present information to churches in the association concerning the need for a director of Baptist Student Union work in area colleges.

The director would serve Erskine, Lander, Newberry and Presbyterian Colleges.

The committee will determine the interest in and possible financial support of the churches toward the suggested student work in a tri-associational area to include Abbeville, Laurens, and Reedy River Associations.

Named to the committee were Rev. J. H. Darr, Rev. J. V. Rice and Rev. W. E. Crapps.

Leroy Burns, one of the trustees of the Laurens Association Baptist Assembly at Lake Greenwood, gave a report on the project. He told the messengers that the grounds were about to be completed "to a degree of usefulness to the entire association." He said that in the nine years since its beginning a caretaker's home has been built and two sleeping cottages are almost completed.

During the final day of the session Rev. Grange S. Cothran, pastor of the Second Baptist Church in Laurens, was named moderator of the Laurens association. He succeeds Rev. J. W. Spillers of Clinton.

Rev. Floyd M. Hellams, pastor of Davidson Street Baptist Church of Clinton, was elected vice-moderator.

Re-elected to office were H. B. Monroe, clerk; G. B. O'Dell, assistant clerk; and Karl Johnson, treasurer.
