The property faces 280 feet on S. Broad and 290 on E. Centennial, and embraces five individual pieces of property purchased from four parties.

The property is situated on the east side of Broad St. (facing west) and includes the frontage from the corner to the Texaco Service Station at Hampton Ave.

Three Cars Involved

Three Die From Injuries In Collision Near Clinton

A smashing three-car collision, 5 miles south of here, left three persons dead Sunday and two hospitalized—one in critical condition.

The victims were identified as Mrs. Betty Blackwell Moore, 38, White, of Rt. 3, Greenwood; and William Douglas Rice, 22, of Home St., Clinton and Charlotte Taylor of North Bell St., Clinton, Negroes.

Mrs. Moore's daughter, Vickie Gale Moore, 13, was hospitalized in critical condition.

A third Negro, Samuel Henry McBride, 25, of Clinton, was hospitalized in fair condition.

The crash occurred Saturday night about 11:30 as Mrs. Moore and her daughter, traveling in one car, followed her husband who was driving a station wagon.

The Moores were headed home to Greenwood after visiting relatives in Clinton. The station wagon was not involved.

Highway Patrolman Gerald Dobson said the 1963 Ford Fairlane driven by Mrs. Moore, going south, and a 1956 Oldsmobile driven by Rice, headed in the opposite direction, collided almost head-on on U. S. Highway 72, on a "fairly sharp" curve.

The third vehicle was a 1959 Ford going in the same direction as the Moore car, which hit

the Ford from the rear, officers said. Driver of the third car was identified as David Arthur Smith, 29, of Rt. 2, Ninety Six.

Mrs. Moore and her daughter were the only occupants of her car. Miss Taylor and McBride were in the Rice car. Smith was the only occupant of his car, officers said.

Victims of the two cars which met almost head-on were pinned inside the wrecked vehicles for a short time. The third car, driven by Smith, veered from the highway on the right after the collision, overturning and coming to rest down a slight embankment. Smith received emergency treatment at Bailey Memorial Hospital and was dismissed.

Patrolman Dobson said the dead woman's husband, Silas Moore, told officers he and his family had visited his wife's relatives in the Lydia Mills community in Clinton and were returning home when the accident occurred.

The officer quoted the husband as saying he was driving alone and Mrs. Moore and Vickie were following in a second car. When he failed to see her headlights in his rear view mirror, he pulled over near Mountville and stopped.

After a few minutes, he turned around and headed back toward Clinton, meeting a car which he at first thought was his wife. He said he slowed down, and the unidentified motorist told him there had been a bad wreck at the foot of the hill.

Dobson said Moore told him he drove to the scene of the accident and found his wife and daughter still inside the wrecked vehicle. The victims were removed and placed in Moore's station wagon and driven to Bailey Memorial Hospital at Clinton. Mrs. Moore was reported dead on arrival.

Vickie, suffering internal injuries, head injuries, and fractures of both legs, was hospitalized there, but later transferred to Greenville General Hospital. Her condition Sunday night was listed as critical.

State Highway Patrolman Billy Foster said he arrived at the wreck scene approximately 10 minutes after it happened, and Moore was driving away with the two victims then. Foster said he found occupants of the Rice car still in the wreckage. They were freed within a few minutes and taken to the hospital. The Taylor woman was dead on arrival at Bailey Memorial Hospital and Rice died within the next two hours.

The third victim of that car, McBride, also was taken to the Clinton Hospital, but later transferred to Brewer Hospital at Greenwood. Suffering broken legs and lacerations, he was listed in fair condition Sunday night.

A number of law enforcement officers, including Laurens County Sheriff R. Eugene Johnson, were assisting in an around-the-clock investigation. Coroner Marshall Pressley empaneled a jury and an inquest is pending.

Powder Puff Classic Slated For Tuesday

Two top-notch opponents will clash at 7:00 p.m. Tuesday night in Clinton High's Wilder Stadium when the senior girls meet the junior girls in Clinton's first Powder Puff football game.

The C. H. S. girls began practice Monday afternoon, and they plan to continue practicing diligently until Tuesday so that they will be in near perfect shape for the game.

As an added attraction, the CHS band will perform at half-time; however, since the regular majorettes and cheerleaders will be playing football, the Red Devil Varsity football players will substitute for them.

The two girls' teams have an excellent coaching staff, members of the Red Devil team. For the seniors, J. W. Davis, Binky Wingard, and Don Handback are coaches. Darryl Godfrey, Mike Sanders, and Gary Laney are coaching the junior girls.

Admission for the game is twenty-five cents for students and fifty cents for adults, and the entertainment should be well worth the cost. Profits from the game will be used by the athletic department to improve the tennis courts.

Whitmire, Ware Shoals To Meet Here Friday
